

Defense Federal Acquisition Regulation Supplement

Part 252-Solicitation Provisions and Contract Clauses

252.248-7000 Preparation of Value Engineering Change Proposals.

As prescribed in 248.270, use the following clause:

PREPARATION OF VALUE ENGINEERING CHANGE PROPOSALS (MAY 1994)

Prepare value engineering change proposals, for submission pursuant to the value engineering clause of this contract, in the format prescribed by the version of MIL-STD-973 in effect on the date of contract award.

(End of clause)
