

Global Hawk Program
Acquisition Decision Memorandum (ADM)
Information Paper

- As a result of the Defense Acquisition Board that met on March 14, 2005, the USD(AT&L):
 - Approved release of RDT&E funding to continue Global Hawk, Advanced Signals Intelligence Program (ASIP), Multi-Platform Radar Technology Insertion Program (MP-RTIP) development tasks and procurement funding to avoid a production break.
 - Directed the Air Force to return before the end of 2005 to present an Interim Program Review to the Defense Acquisition Board.
