Joint Common Missile (JCM)

On April 22, 2004, the Acting Under Secretary of Defense (Acquisition, Technology, and Logistics) (USD(AT&L)) chaired a Defense Acquisition Board (DAB) decision review to assess the JCM's readiness for entrance into System Development and Demonstration (SDD).

Approval was granted for the program to enter into SDD for the first increment of JCM capability and the program was designated an Acquisition Category ID program.
