

## **INFORMATION PAPER**

### **Stryker**

On February 20, 2004, the Acting Under Secretary of Defense (Acquisition, Technology, and Logistics) (USD(AT&L)) chaired a Defense Acquisition Board (DAB) decision review to assess Stryker vehicles' readiness for entrance into Full Rate Production (FRP).

FRP approval was authorized for the Anti-tank Guided Missile, Commander's Vehicle, Engineer Squad Vehicle, Fire Support Vehicle, Infantry Carrier Vehicle, Medical Evacuation Vehicle, and Reconnaissance Vehicle.
