

## **V-22 Program Acquisition Decision Information Paper**

- On July 14, 2004, the Acting Under Secretary of Defense (Acquisition, Technology, and Logistics) held a program review of the V-22 Osprey program.
- He directed the Navy Program Executive Officer for Anti-Submarine Warfare, Assault, and Special Mission Aircraft to address complementary systems issues prior to the planned Full Rate Production decision Defense Acquisition Board review.
- He directed the Defense Contract Management Agency to oversee the contractors' implementation of their Enterprise Resource Planning.
- He directed the Navy to propose metrics that will indicate program progress towards the Secretary of Defense certification required by Section 123 of the National Defense Authorization Act for Fiscal Year 2002.
