

Presidential Helicopter Replacement (VXX) Program Acquisition Decision
Information Paper

- On March 2, 2005, the Defense Acquisition Executive met with appropriate advisors to review the revised cost estimates and the Navy's approach to full funding of the Presidential Helicopter Replacement (VXX) Program.
- As a result of this review, the USD(AT&L) directed the Navy to submit: a revised Acquisition Strategy Report (ASR); a revised Acquisition Program Baseline; and a Systems Engineering Plan (SEP).
