

Registration

DNWS

Specific information about the DNWS is available on the Internet. Go to <https://dnws.abq.dtra.mil> to view: "Courses" to view the annual course schedule for the upcoming year.

Access the DNWS Controlled Site

This part of the DNWS web site is restricted to DoD and other Federal and state agencies. To request access, click "Log In" tab then click "Request Access" tab.

Your request is received and reviewed by DNWS Visitor Control Staff. If you are granted access you will receive an e-mail that contains your user name and password. You may now access the DNWS controlled website: click on the "Log In" tab. Enter your user name and password. This query is case sensitive—be sure to enter your user name and password exactly as shown on the access confirmation sent to you via e-mail.

On-line Course Registration

Each organization has a designated quota manager. To make a reservation for a DNWS course contact the appropriate quota manager (see page 9 for a current listing of quota managers). Quotas for DNWS courses are based on organization requests. Requests for nonallocated quotas are considered on a case-by-case basis.

If registering for a classified course, an additional form will appear on the screen. Because security clearance data verification is required, the form must be printed and endorsed by the organizational security manager. Once the clearance information has been coordinated, the form can be electronically transmitted (FAX only) to the DNWS Student Services at 505-846-9168 or DSN 246-9168. It is imperative that the security clearance information be received at the DNWS a minimum of 15 working days before the class start date.

Links

The DNWS on-line database provides links to Internet sites about terrorism, response, proliferation, chemical, biological, and nuclear and radiological issues.

Registering Without Internet Access

Contact your organizational quota manager to obtain a reservation for a DNWS course (page 9 for the most current listing of quota managers). After obtaining a seat in the desired course, complete the DNWS Course Registration Form on page 40 of this catalog, including security access information, if applicable. Security clearance information is required for all classified courses. Section II of the DNWS Course Registration Form must be completed and verified with appropriate endorsements.

Department of Energy (DOE) personnel must submit DOE Form 5631.20 to register (page 39). DoD personnel are required to submit the DOE Form 5631.20 in order to gain access to DOE facilities on Kirtland AFB for the Joint Nuclear Explosive Ordnance Disposal Course (page 39).

Mail or fax completed registration forms and security clearance documents to:

Defense Nuclear Weapons School
Attn: Student Services
1680 Texas St. SE
Kirtland AFB, NM 87117-5669
FAX: (505) 846-9168 or
DSN 246-9168

Enrollment Confirmation

Enrollment confirmation will be forwarded to prospective students via e-mail upon receipt of a completed DNWS Course Registration Form or DOE Form 5631.20, as appropriate. To ensure receipt of confirmation and other information, an unclassified e-mail address must be provided on the registration form. Student services will keep students apprised of changes in class dates, times, or location. If confirmation is not received at least 1 week prior to class start date, please call (505) 846-5666 or DSN 246-5666, Monday through Friday, 0730–1630, Mountain Standard Time.

Security Issues

All personnel entering the DNWS are required to show valid identification at the security desk.

As previously noted, specific courses may require a security clearance and some require special access. Each DNWS course has individual security requirements specific to that program and are noted in the course description.

Clearance and access information for DoD personnel is submitted by using the DNWS Course Registration Form (page 40). DOE personnel must use the DOE Form 5631.20 (page 39).

Security clearance information must be received by student services a minimum of 15 working days prior to class start date.

Electronic Equipment

Internet access at the DNWS is available for students on a limited basis. The base library is available Monday through Thursday from 1000 to 1900, Fridays from 1000 to 1700, and Saturdays from 1300 to 1700, and can facilitate internet access for your convenience. Security procedures prohibit bringing cellular telephones, pagers, personal digital assistants, cameras, or lap top computers into the school. Telephone lines are available for students to make and receive official telephone calls.

Map for DNWS Kirtland AFB Albuquerque NM

Albuquerque Sunport and Kirtland AFB Maps

Directions from Airport

Take Yale Blvd North from Sunport Blvd. Turn East on Gibson Blvd and drive until you reach the Gibson Gate to Kirtland Air Force Base. Acquire a base pass, then proceed on Gibson Blvd. Turn South on Wyoming Blvd at the 3rd stoplight. The Defense Nuclear Weapons School will be on your left at the 3rd stoplight across from the B-52 at the former Atomic Museum.

THIS LISTING IS PROVIDED FOR INFORMATION ONLY AND DOES NOT CONSTITUTE ENDORSEMENT OF THE FACILITIES. DNWS DOES NOT MAKE LODGING RESERVATIONS FOR STUDENTS. BASE BILLETING CAN BE CONTACTED AT 505-846-9652.
