

## **Tim Malishenko**

**Vice President**

**Contracts and Pricing**

**Boeing World Headquarters**

Tim Malishenko is vice president contracts and pricing for The Boeing Company. He oversees contracts and pricing management for policy, processes operations, and compliance. His prior positions were vice president contracts and pricing Boeing Integrated Defense Systems and vice president contracts and pricing Space and Communications.

Malishenko joined Boeing in February 2001, after serving 31 years in the U.S. Air Force. In his last position, he served as director of the Defense Contract Management Agency in Washington, D.C. Malishenko has served in a broad range of defense acquisition programs, including contract management, space, aeronautical, international and electronic systems.

Malishenko is a fellow of the National Contract Management Association (NCMA) and serves on its board of advisors. He also is a member of the Air Force Association and the National Defense Industries Association.

Malishenko received a bachelor's degree in business administration from The Ohio State University, a master of business administration from Michigan State University and a master of science from the University of Southern California. He also graduated from National War College, Fort McNair, Washington, D.C.
