SUBJECT: *Defense Contingency Contracting Handbook, Version 5*

Defense Procurement and Acquisition Policy (DPAP) is pleased to announce the upcoming release of the *Defense Contingency Contracting Handbook, Version 5*. This handbook will be available on July 6, 2015, at the DPAP website:
<http://www.acq.osd.mil/dpap/ccap/cc/jcchb/index.html>.

The Handbook provides essential information to help DoD Contingency Contracting Officers (CCOs) and other Operational Contract Support (OCS) staff meet the challenges they may face in contingency environments. Version 5 offers the following new features.

- Updated handbook text to reflect the current contingency environment;
- Updated handbook text for universal application across all Combatant Commands;
- Direct handbook links to references in the Federal Acquisition Regulation (FAR), Defense Federal Acquisition Regulation Supplement (DFARS), and other sources;
- Highlights illustrating real-world examples;
- Enhanced access to external sources through handbook hyperlinks; and
- New checklists and links to new resources (e.g., scenarios from OCS Joint Exercises).

In addition to providing this electronic version, DPAP is accepting requests for a single print run of hard copies to distribute to each of the components. Each component with a *Defense Contingency Contracting Handbook* requirement should provide the following information by July 31, 2015: POC name, Service/ODA, e-mail address, phone number, quantity requested, and full shipping address with ZIP Code. DPAP will not store inventory, and this is a one-time print run. Components may order extra handbooks to store at their own location(s) for future needs.

My point of contact for your distribution responses is Sam Losow at osd.pentagon.ousd-atl.mbx.contingency-contracting@mail.mil, 571-256-2945. My point of contact for the Handbook is Col Jim DeLong at james.m.delong4.mil@mail.mil or 571-256-7009.
