

Chapter 10

Additional Resources Available on the DVD/Web Site

The *Defense Contingency Contracting Handbook* is designed to provide general guidance on contracting in a contingency environment. However, the contingency contracting world is extremely complex and requires an understanding that is much more extensive than the handbook's scope. The Web site and DVD are designed as a supplement to the handbook and to provide additional resources for the contingency contracting officer.

There are more than 1,000 additional resources available on the DVD/Web site. This chapter highlights the most commonly used resources available via the *Defense Contingency Contracting Handbook* Web pages (Figure 11).

Topic									
A									
Agreements				X		X			
Administration	X	X	X	X	X	X		X	X
Acquisition Planning		X	X	X	X			X	
Advanced Echelon Team (ADVON)			X
