2007-017	Proposed	Williams, Amy	06/29/2010
<u>Title</u> Service Contractor Employee Personal Conflicts of Interest			
<u>Last Update</u> 06/29/2010 Case closed into FAR case 2008-025. We opened FAR case 2007-017 in December 2007 to explore whether contractor employees' personal conflicts of interest need to be addressed in the FAR. Subsequently, section 841(a) of the NDAA for FY 2009 required implementation in the FAR of specific policies to prevent personal conflicts of interest by contractor employees performing functions closely associated with inherently governmental functions for or on behalf of a Federal agency or department. The Councils opened FAR case 2008-025 to implement section 841(a). Section 841(b) also required OFPP, in consultation with OGE, within 12 months, to identify contracting methods, types and services that raise heightened concerns for potential personal and organizational conflicts of interest; and determine whether revisions to the FAR are necessary to address OCI (see FAR Case 2007-018 and DFARS Case 2009-D015) or personal conflicts of interest by contractor employees with respect to functions other than those described in section 841(a). For this purpose, FAR Case 2007-017 was put on hold, pending progress on FAR Case 2008-025 and any determination by OFPP as to the need for further FAR revisions relating to PCI beyond those of FAR Case 2008-025. The FAR Case 2008-025 is now approaching publication as a final rule. The FAR Acquisition Law Team did not identify any further types of contracts for which they would recommend PCI restrictions, other than as implemented in FAR Case 2008-025. Nor have OFPP or OGE requested further FAR revisions with regard to PCIs. Therefore, the FAR principals have agreed to close FAR Case 2007-017 into FAR Case 2008-025. If OFPP, OGE, or some other Government entity subsequently recommends further FAR changes relating to PCI, we can open a new FAR case at such time to consider the recommendations.
