(ii) *Ownership or control by a foreign government when access to proscribed information is required.*

(A) Under 10 U.S.C. 2536(a), no DoD contract under a national security program may be awarded to an entity controlled by a foreign government if that entity requires access to proscribed information to perform the contract.

(B) Whenever the contracting officer has a question about application of the provision at 252.209-7002, the contracting officer may seek advice from the Security Directorate, Office of the Deputy Under Secretary of Defense, Human Intelligence, Counterintelligence, and Security.

(C) In accordance with 10 U.S.C. 2536(b)(1)(A), the Secretary of Defense may waive the prohibition in paragraph (g)(ii)(A) of this subsection upon determining that the waiver is essential to the national security interests of the United States. Waiver requests, prepared by the requiring activity in coordination with the contracting officer, shall be processed through the Director of Defense Procurement and Acquisition Policy, Office of the Under Secretary of Defense (Acquisition, Technology, and Logistics), and shall include a proposed national interest determination. The proposed national interest determination, prepared by the requiring activity in coordination with the contracting officer, shall include:

Part 209—Contractor Qualifications

(ii) The entity to which the contract is awarded is controlled by a foreign government with which the Secretary is authorized to exchange Restricted Data under section 144 c. of the Atomic Energy Act of 1954 (42 U.S.C. 2164(c)); and

209.104-4 Subcontractor responsibility.

Generally, the Canadian Commercial Corporation's (CCC) proposal of a firm as its subcontractor is sufficient basis for an affirmative determination of responsibility. However, when the CCC determination of responsibility is not consistent with other information available to the contracting officer, the contracting officer shall request from CCC and any other sources whatever additional information is necessary to make the responsibility determination.

209.104-70 Solicitation provisions.

(a) Use the provision at 252.209-7001, Disclosure of Ownership or Control by the Government of a Terrorist Country, in all solicitations expected to result in contracts of \$100,000 or more. 209.105-1 Obtaining information.

(1) For guidance on using the Excluded Parties List System, see PGI 209.105-1.

(2) A satisfactory performance record is a factor in determining contractor responsibility (see FAR 9.104-1(c)). One source of information relating to contractor performance is the Past Performance Information Retrieval System (PPIRS), available at www.ppirs.gov. Information relating to contract terminations for cause and for default is also available through PPIRS (see PGI 212.403(c) and PGI 249.470). This termination information is just one consideration in determining contractor responsibility.

209.105-2 Determinations and documentation.

(a) The contracting officer shall submit a copy of a determination of nonresponsibility to the appropriate debarring and suspending official listed in 209.403.
