See DoD Class Deviation [2013-O0019](#), Commercial Item Omnibus Clause for Acquisitions Using the Standard Procurement System, issued September 25, 2013. (b) When storage of toxic or hazardous materials is authorized based on an imminent danger, the storage provided shall be temporary and shall cease once the imminent danger no longer exists. In all other cases of storage or disposal, the storage or disposal shall be terminated as determined by the Secretary of Defense.

223.7103 Procedures.

(a)(1) Storage, treatment, or disposal of toxic or hazardous materials not owned by DoD on a DoD installation is prohibited unless—

225.7701 Definitions.

As used in this subpart—

“Product from Afghanistan” means a product that is mined, produced, or manufactured in Afghanistan.

“Service from Afghanistan” means a service including construction that is performed in Afghanistan predominantly by citizens or permanent resident aliens of Afghanistan.

“Small arms” means pistols and other weapons less than 0.50 caliber.

“Source from Afghanistan” means a source that—

- (1) Is located in Afghanistan; and
- (2) Offers products or services from Afghanistan.

“Textile component” is defined in the clause at [252.225-7029](#), Acquisition of Uniform Components for Afghan Military or Afghan National Police.

225.7702-1 Acquisition of small arms.

(a) Except as provided in paragraph (b) of this section, when acquiring small arms for assistance to the Army of Afghanistan, the Afghani Police Forces, or other Afghani security organizations—

(1) Use full and open competition to the maximum extent practicable, consistent with the provisions of 10 U.S.C. 2304;

(2) If use of other than full and open competition is justified in accordance with FAR Subpart 6.3, ensure that—

(i) No responsible U.S. manufacturer is excluded from competing for the acquisition; and

(ii) Products manufactured in the United States are not excluded from the competition; and

(3) If the exception at FAR 6.302-2 (unusual and compelling urgency) applies, do not exclude responsible U.S. manufacturers or products manufactured in the United States from the competition for the purpose of administrative expediency. However, such an offer may be rejected if it does not meet delivery schedule requirements.

(b) Paragraph (a)(2) of this section does not apply when—

(1) The exception at FAR 6.302-1 (only one or a limited number of responsible sources) applies, and the only responsible source or sources are not U.S. manufacturers or are not offering products manufactured in the United States; or

(2) The exception at FAR 6.302-4 (international agreement) applies, and United States manufacturers or products manufactured in the United States are not the source(s) specified in the written directions of the foreign government reimbursing the agency for the cost of the acquisition of the property or services for such government.

225.7702-2 Acquisition of uniform components for the Afghan military or the Afghan police.

Any textile components supplied by DoD to the Afghan National Army or the Afghan National Police for purpose of production of uniforms shall be produced in the United States.

225.7703 Enhanced authority to acquire products or services from Afghanistan.

225.7703-1 Acquisition procedures.

(a) Subject to the requirements of [225.7703-2](#), except as provided in [225.7702](#), a product or service (including construction), in support of operations in Afghanistan, may be acquired by—

(1) Providing a preference for products or services from Afghanistan in accordance with the evaluation procedures at [225.7703-3](#);

(2) Limiting competition to products or services from Afghanistan; or

(3) Using procedures other than competitive procedures to award a contract to a particular source or sources from Afghanistan. When other than competitive procedures are used, the contracting officer shall document the contract file with the rationale for selecting the particular source(s).

(b) For acquisitions conducted using a procedure specified in paragraph (a) of this subsection, the justification and approval addressed in FAR Subpart 6.3 is not required.

(c) When issuing solicitations and contracts for performance in Afghanistan, follow the procedures at [PGI 225.7703-1\(c\)](#).

225.7703-2 Determination requirements.

Before use of a procedure specified in [225.7703-1\(a\)](#), a written determination must be prepared and executed as follows:

(a) For products or services to be used only by the military forces, police, or other security personnel of Afghanistan, the contracting officer shall—

(1) Determine in writing that the product or service is to be used only by the military forces, police, or other security personnel of Afghanistan; and

(2) Include the written determination in the contract file.

(b) For products or services not limited to use by the military forces, police, or other security personnel of Afghanistan, the following requirements apply:

(1) The appropriate official specified in paragraph (b)(2) of this subsection must determine in writing that it is in the national security interest of the United States to use a procedure specified in [225.7703-1\(a\)](#), because—

(i) The procedure is necessary to provide a stable source of jobs in Afghanistan; and

(ii) Use of the procedure will not adversely affect—

(A) Operations in Afghanistan (including security, transition, reconstruction, and humanitarian relief activities); or

(B) The U.S. industrial base. The authorizing official generally may presume that there will not be an adverse effect on the U.S. industrial base. However, when in doubt, the authorizing official should coordinate with the applicable subject matter expert specified in [PGI 225.7703-2\(b\)](#).

(2) Determinations may be made for an individual acquisition or a class of acquisitions meeting the criteria in paragraph (b)(1) of this subsection as follows:

(i) The head of the contacting activity is authorized to make a determination that applies to an individual acquisition with a value of less than \$85.5 million.

(ii) The Director, Defense Procurement and Acquisition Policy, and the following officials, without power of redelegation, are authorized to make a determination that applies to an individual acquisition with a value of \$85.5 million or more or to a class of acquisitions:

(A) Defense Logistics Agency Component Acquisition Executive.

(B) Army Acquisition Executive.

(C) Navy Acquisition Executive.

(D) Air Force Acquisition Executive.

(E) Commander of the United States Central Command Joint Theater Support Contracting Command (C–JTSCC).

(3) The contracting officer—

(i) Shall include the applicable written determination in the contract file;
and

(ii) Shall ensure that each contract action taken pursuant to the authority of a class determination is within the scope of the class determination, and shall document the contract file for each action accordingly.

(c) See [PGI 225.7703-2\(c\)](#) for formats for use in preparation of the determinations required by this subsection.

225.7703-3 Evaluating offers.

Evaluate offers submitted in response to solicitations that include the provision at [252.225-7023](#), Preference for Products or Services from Afghanistan, as follows:

(a) If the low offer is an offer of a product or service from Afghanistan, award on that offer.

(b) If there are no offers of a product or service from Afghanistan, award on the low offer.

(c) Otherwise, apply the evaluation factor specified in the solicitation to the low offer.

(1) If the price of the low offer of a product or service from Afghanistan is less than the evaluated price of the low offer, award on the low offer of a product or service from Afghanistan.

(2) If the evaluated price of the low offer remains less than the low offer of a product or service from Afghanistan, award on the low offer.

(d) For acquisitions in support of the United States Central Command (USCENTCOM), United States European Command (USEUCOM), United States Africa Command (USAFRICOM), United States Southern Command (USSOUTHCOM), or United States Pacific Command (USPACOM) theater of operations, see [PGI 225.7703-3](#).

(a) Use the provision at [252.225-7023](#), Preference for Products or Services from Afghanistan, in solicitations, including solicitations using FAR part 12 procedures for the acquisition of commercial items, that provide a preference for products or services from Afghanistan in accordance with [225.7703-1\(a\)\(1\)](#). (2) Will be directed to a particular source or sources from Afghanistan in accordance with [225.7703-1\(a\)\(3\)](#).

(d) Use the clause at [252.225-7029](#), Acquisition of Uniform Components for Afghan Military or Afghan National Police, in solicitations and contracts, including solicitations and contracts using FAR part 12 procedures for the acquisition of commercial items, for the acquisition of any textile components that DoD intends to supply to the Afghan National Army or the Afghan National Police for purposes of production of uniforms.

(e) When the Trade Agreements Act applies to the acquisition, use the appropriate clause and provision as prescribed at [225.1101](#) (5), and (6).

(f) Do not use any of the following provisions or clauses in solicitations or contracts that include the provision at [252.225-7023](#), the clause at [252.225-7024](#), or the clause at [252.225-7026](#):

225.7704 Acquisitions of products and services from South Caucasus/Central and South Asian (SC/CASA) state in support of operations in Afghanistan.

225.7704-1 Applicability of trade agreements.

As authorized by the United States Trade Representative, the Secretary of Defense has waived the prohibition in section 302(a) of the Trade Agreements Act (see subpart [225.4](#)) for acquisitions by DoD, and by GSA on behalf of DoD, of products and services from SC/CASA states in direct support of operations in Afghanistan.

225.7704-2 Applicability of Balance of Payments Program.

The Deputy Secretary of Defense has determined, because of importance to national security, that it would be inconsistent with the public interest to apply the provisions of the Balance of Payments Program (see subpart [225.75](#)) to offers of end products other than arms, ammunition, and war materials (i.e., end products listed in [225.401-70](#)) and construction materials from the SC/CASA states that are being acquired by or on behalf of DoD in direct support of operations in Afghanistan.

(C) If a cost-reimbursement type contract is selected, the contract file shall include the Milestone Decision Authority’s written determination that—

(1) The program is so complex and technically challenging that it would not be practicable to reduce program risk to a level that would permit the use of a fixed-price type contract; and

Defense Federal Acquisition Regulation Supplement

Part 234—Major System Acquisition

(2) The complexity and technical challenge of the program is not the result of a failure to meet the requirements of 10 U.S.C. 2366a.

(ii) In accordance with section 811 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239), for contracts entered into on or after October 1, 2014, the contracting officer shall—

(i) The contract line item or contract option shall be limited to the minimal amount of initial or additional prototype items that will allow for timely competitive solicitation and award of a follow-on development or production contract for those items.

(ii) The term of the contract line item or contract option shall be for not more than 12 months.

(iii) The dollar value of the work to be performed pursuant to the contract line item or contract option shall not exceed the lesser of—

(b) The Contractor shall label the item package (unit container) of any hazardous material to be delivered under this contract in accordance with the Hazard Communication Standard (29 CFR 1910.1200 et seq). - (3) Consumer Product Safety Act;

- (5) Federal Alcohol Administration Act.

(c) The Offeror shall list which hazardous material listed in the Hazardous Material Identification and Material Safety Data clause of this contract will be labelled in accordance with one of the Acts in paragraphs (b)(1) through (5) of this clause instead of the Hazard Communication Standard. Any hazardous material not listed will be interpreted to mean that a label is required in accordance with the Hazard Communication Standard.

252.223-7002 Safety Precautions for Ammunition and Explosives.

As prescribed in [223.370-5](#), use the following clause:

SAFETY PRECAUTIONS FOR AMMUNITION AND EXPLOSIVES (MAY 1994)

(a) *Definition.* “Ammunition and explosives,” as used in this clause—

(1) Means liquid and solid propellants and explosives, pyrotechnics, incendiaries and smokes in the following forms:

- (i) Bulk,
- (ii) Ammunition;
- (iii) Rockets;
- (iv) Missiles;
- (v) Warheads;
- (vi) Devices; and
- (vii) Components of (i) through (vi), except for wholly inert items.

(2) This definition does not include the following, unless the Contractor is using or incorporating these materials for initiation, propulsion, or detonation as an integral or component part of an explosive, an ammunition or explosive end item, or of a weapon system—

- (i) Inert components containing no explosives, propellants, or pyrotechnics;
- (ii) Flammable liquids;
- (iii) Acids;
- (iv) Oxidizers;
- (v) Powdered metals; or
- (vi) Other materials having fire or explosive characteristics.

(b) *Safety requirements.*

(1) The Contractor shall comply with the requirements of the DoD Contractors' Safety Manual for Ammunition and Explosives, DoD 4145.26-M, hereafter referred to as “the manual,” in effect on the date of the solicitation for this contract. The Contractor shall also comply with any other additional requirements included in the schedule of this contract.

(2) The Contractor shall allow the Government access to the Contractor's facilities, personnel, and safety program documentation. The Contractor shall allow

Part 252—Solicitation Provisions and Contract Clauses

authorized Government representatives to evaluate safety programs, implementation, and facilities.

(c) *Noncompliance with the manual.*

(1) If the Contracting Officer notifies the Contractor of any noncompliance with the manual or schedule provisions, the Contractor shall take immediate steps to correct the noncompliance. The Contractor is not entitled to reimbursement of costs incurred to correct noncompliances unless such reimbursement is specified elsewhere in the contract.

(2) The Contractor has 30 days from the date of notification by the Contracting Officer to correct the noncompliance and inform the Contracting Officer of the actions taken. The Contracting Officer may direct a different time period for the correction of noncompliances.

(3) If the Contractor refuses or fails to correct noncompliances within the time period specified by the Contracting Officer, the Government has the right to direct the Contractor to cease performance on all or part of this contract. The Contractor shall not resume performance until the Contracting Officer is satisfied that the corrective action was effective and the Contracting Officer so informs the Contractor.

(4) The Contracting Officer may remove Government personnel at any time the Contractor is in noncompliance with any safety requirement of this clause.

(5) If the direction to cease work or the removal of Government personnel results in increased costs to the Contractor, the Contractor shall not be entitled to an adjustment in the contract price or a change in the delivery or performance schedule unless the Contracting Officer later determines that the Contractor had in fact complied with the manual or schedule provisions. If the Contractor is entitled to an equitable adjustment, it shall be made in accordance with the Changes clause of this contract.

(d) *Mishaps.* If a mishap involving ammunition or explosives occurs, the Contractor shall—

- (1) Notify the Contracting Officer immediately;
- (2) Conduct an investigation in accordance with other provisions of this contract or as required by the Contracting Officer; and
- (3) Submit a written report to the Contracting Officer.

(e) *Contractor responsibility for safety.*

(1) Nothing in this clause, nor any Government action or failure to act in surveillance of this contract, shall relieve the Contractor of its responsibility for the safety of—

Defense Federal Acquisition Regulation Supplement

Part 252—Solicitation Provisions and Contract Clauses

(ii) The Government's personnel and property; or

(iii) The general public.

(2) Nothing in this clause shall relieve the Contractor of its responsibility for complying with applicable Federal, State, and local laws, ordinances, codes, and regulations (including those requiring the obtaining of licenses and permits) in connection with the performance of this contract.

(f) *Contractor responsibility for contract performance.*

(1) Neither the number or frequency of inspections performed by the Government, nor the degree of surveillance exercised by the Government, relieve the Contractor of its responsibility for contract performance.

(2) If the Government acts or fails to act in surveillance or enforcement of the safety requirements of this contract, this does not impose or add to any liability of the Government.

(g) *Subcontractors.*

(1) The Contractor shall insert this clause, including this paragraph (g), in every subcontract that involves ammunition or explosives.

(i) The clause shall include a provision allowing authorized Government safety representatives to evaluate subcontractor safety programs, implementation, and facilities as the Government determines necessary.

(ii) **NOTE:** The Government Contracting Officer or authorized representative shall notify the prime Contractor of all findings concerning subcontractor safety and compliance with the manual. The Contracting Officer or authorized representative may furnish copies to the subcontractor. The Contractor in turn shall communicate directly with the subcontractor, substituting its name for references to “the Government”. The Contractor and higher tier subcontractors shall also include provisions to allow direction to cease performance of the subcontract if a serious uncorrected or recurring safety deficiency potentially causes an imminent hazard to DoD personnel, property, or contract performance.

(2) The Contractor agrees to ensure that the subcontractor complies with all contract safety requirements. The Contractor will determine the best method for verifying the adequacy of the subcontractor's compliance.

(3) The Contractor shall ensure that the subcontractor understands and agrees to the Government's right to access to the subcontractor's facilities, personnel, and safety program documentation to perform safety surveys. The Government performs these safety surveys of subcontractor facilities solely to prevent the occurrence of any mishap which would endanger the safety of DoD personnel or otherwise adversely impact upon the Government's contractual interests.

(4) The Contractor shall notify the Contracting Officer or authorized representative before issuing any subcontract when it involves ammunition or explosives. If the proposed subcontract represents a change in the place of performance,

the Contractor shall request approval for such change in accordance with the clause of this contract entitled “Change in Place of Performance--Ammunition and Explosives”.

(End of clause)

252.223-7003 Change in Place of Performance—Ammunition and Explosives.

As prescribed in [223.370-5](#), use the following clause:

CHANGE IN PLACE OF PERFORMANCE—AMMUNITION AND EXPLOSIVES (DEC 1991)

(a) The Offeror shall identify, in the “Place of Performance” provision of this solicitation, the place of performance of all ammunition and explosives work covered by the Safety Precautions for Ammunition and Explosives clause of this solicitation. Failure to furnish this information with the offer may result in rejection of the offer.

(b) The Offeror agrees not to change the place of performance of any portion of the offer covered by the Safety Precautions for Ammunition and Explosives clause contained in this solicitation after the date set for receipt of offers without the written approval of the Contracting Officer. The Contracting Officer shall grant approval only if there is enough time for the Government to perform the necessary safety reviews on the new proposed place of performance.

(c) If a contract results from this offer, the Contractor agrees not to change any place of performance previously cited without the advance written approval of the Contracting Officer.

(End of clause)

252.223-7004 Drug-Free Work Force.

As prescribed in [223.570-2](#), use the following clause:

DRUG-FREE WORK FORCE (SEP 1988)

(a) *Definitions.*

(1) “Employee in a sensitive position,” as used in this clause, means an employee who has been granted access to classified information; or employees in other positions that the Contractor determines involve national security, health or safety, or functions other than the foregoing requiring a high degree of trust and confidence.

(2) “Illegal drugs,” as used in this clause, means controlled substances included in Schedules I and II, as defined by section 802(6) of Title 21 of the United States Code, the possession of which is unlawful under Chapter 13 of that Title. The term “illegal drugs” does not mean the use of a controlled substance pursuant to a valid prescription or other uses authorized by law.

(b) The Contractor agrees to institute and maintain a program for achieving the objective of a drug-free work force. While this clause defines criteria for such a program, contractors are encouraged to implement alternative approaches comparable to the criteria in paragraph (c) that are designed to achieve the objectives of this clause.

Defense Federal Acquisition Regulation Supplement

Part 252—Solicitation Provisions and Contract Clauses

(c) Contractor programs shall include the following, or appropriate alternatives:

(1) Employee assistance programs emphasizing high level direction, education, counseling, rehabilitation, and coordination with available community resources;

(2) Supervisory training to assist in identifying and addressing illegal drug use by Contractor employees;

(3) Provision for self-referrals as well as supervisory referrals to treatment with maximum respect for individual confidentiality consistent with safety and security issues;

(4) Provision for identifying illegal drug users, including testing on a controlled and carefully monitored basis. Employee drug testing programs shall be established taking account of the following:

(i) The Contractor shall establish a program that provides for testing for the use of illegal drugs by employees in sensitive positions. The extent of and criteria for such testing shall be determined by the Contractor based on considerations that include the nature of the work being performed under the contract, the employee's duties, the efficient use of Contractor resources, and the risks to health, safety, or national security that could result from the failure of an employee adequately to discharge his or her position.

(ii) In addition, the Contractor may establish a program for employee drug testing—

(A) When there is a reasonable suspicion that an employee uses illegal drugs; or

(B) When an employee has been involved in an accident or unsafe practice;

(C) As part of or as a follow-up to counseling or rehabilitation for illegal drug use;

(D) As part of a voluntary employee drug testing program.

(iii) The Contractor may establish a program to test applicants for employment for illegal drug use.

(iv) For the purpose of administering this clause, testing for illegal drugs may be limited to those substances for which testing is prescribed by section 2.1 of Subpart B of the “Mandatory Guidelines for Federal Workplace Drug Testing Programs” (53 FR 11980 (April 11, 1988)), issued by the Department of Health and Human Services.

(d) Contractors shall adopt appropriate personnel procedures to deal with employees who are found to be using drugs illegally. Contractors shall not allow any employee to remain on duty or perform in a sensitive position who is found to use illegal drugs until such time as the Contractor, in accordance with procedures established by the Contractor, determines that the employee may perform in such a position.

Defense Federal Acquisition Regulation Supplement

Part 252—Solicitation Provisions and Contract Clauses

(e) The provisions of this clause pertaining to drug testing programs shall not apply to the extent they are inconsistent with state or local law, or with an existing collective bargaining agreement; provided that with respect to the latter, the Contractor agrees that those issues that are in conflict will be a subject of negotiation at the next collective bargaining session.

A charge may be assessed for any storage or disposal authorized under any of the exceptions to 10 U.S.C. 2692. If a charge is to be assessed, then such assessment shall be identified elsewhere in the contract with payment to the Government on a reimbursable cost basis.

PROHIBITION ON STORAGE, TREATMENT, AND DISPOSAL OF TOXIC OR HAZARDOUS MATERIALS—ALTERNATE I (SEP 2014)

(a) *Definitions.* As used in this clause—

“Storage” means a non-transitory, semi-permanent or permanent holding, placement, or leaving of material. It does not include a temporary accumulation of a limited quantity of a material used in or a waste generated or resulting from authorized activities, such as servicing, maintenance, or repair of Department of Defense (DoD) items, equipment, or facilities.

“Toxic or hazardous materials” means—

(i) Materials referred to in section 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980 (42 U.S.C. 9601(14)) and materials designated under section 102 of CERCLA (42 U.S.C. 9602) (40 CFR Part 302);

(ii) Materials that are of an explosive, flammable, or pyrotechnic nature; or

A charge may be assessed for any storage or disposal authorized under any of the exceptions to 10 U.S.C. 2692. If a charge is to be assessed, then such assessment shall be identified elsewhere in the contract with payment to the Government on a reimbursable cost basis.

(c) With respect to treatment or disposal authorized pursuant to DFARS [223.7104\(10\)](#) (10 U.S.C. 2692(b)(10)), and notwithstanding any other provision of the contract, the Contractor assumes all financial and environmental responsibility and liability resulting from any treatment or disposal of toxic or hazardous materials not owned by DoD on a military installation. The Contractor shall indemnify, defend, and hold the Government harmless for all costs, liability, or penalties resulting from the Contractor’s treatment or disposal of toxic or hazardous materials not owned by DoD on a military installation.

(d) The Contractor shall include the substance of this clause, including this paragraph (d), in all subcontracts that require, may require, or permit a subcontractor access to a DoD installation, at any tier. Inclusion of the substance of this clause in subcontracts does not relieve the prime Contractor of liability to the Government under paragraph (c).

252.229-7004 Status of Contractor as a Direct Contractor (Spain).

As prescribed in [229.402-70](#)(d), use the following clause:

STATUS OF CONTRACTOR AS A DIRECT CONTRACTOR (SPAIN) (JUN 1997)

(a) "Direct Contractor," as used in this clause, means an individual, company, or entity with whom an agency of the United States Department of Defense has executed a written agreement that allows duty-free import of equipment, materials, and supplies into Spain for the construction, development, maintenance, and operation of Spanish-American installations and facilities.

(b) The Contractor is hereby designated as a Direct Contractor under the provisions of Complementary Agreement 5, articles 11, 14, 15, 17, and 18 of the Agreement on Friendship, Defense and Cooperation between the United States Government and the Kingdom of Spain, dated July 2, 1982. The Agreement relates to contracts to be performed in whole or part in Spain, the provisions of which are hereby incorporated into and made a part of this contract by reference.

(c) The Contractor shall apply to the appropriate Spanish authorities for approval of status as a Direct Contractor in order to complete duty-free import of non-Spanish equipment, materials, and supplies represented as necessary for contract performance by the Contracting Officer. Orders for equipment, materials, and supplies placed prior to official notification of such approval shall be at the Contractor's own risk. The Contractor is not authorized to continue work on those item(s) beyond that point. The Government will not be obligated in any event to reimburse the Contractor in excess of the amount allotted to the contract for those item(s) regardless of anything to the contrary in the clause entitled "Termination for Convenience of the Government." As used in this clause, the total amount payable by the Government in the event of termination of applicable contract line item(s) for convenience includes costs, profit, and estimated termination settlement costs for those item(s).

(c) Notwithstanding the dates specified in the allotment schedule in paragraph (j) of this clause, the Contractor will notify the Contracting Officer in writing at least ninety days prior to the date when, in the Contractor's best judgment, the work will reach the point at which the total amount payable by the Government, including any cost for termination for convenience, will approximate 85 percent of the total amount then allotted to the contract for performance of the applicable item(s). The notification will state (1) the estimated date when that point will be reached and (2) an estimate of additional funding, if any, needed to continue performance of applicable line items up to the next scheduled date for allotment of funds identified in paragraph (j) of this clause, or to a mutually agreed upon substitute date. The notification will also advise the Contracting Officer of the estimated amount of additional funds that will be required for the timely performance of the item(s) funded pursuant to this clause, for a subsequent period as may be specified in the allotment schedule in paragraph (j) of this clause or otherwise agreed to by the parties. If after such notification additional funds are not allotted by the date identified in the Contractor's notification, or by an agreed substitute date, the Contracting Officer will terminate any item(s) for which additional funds have not been allotted, pursuant to the clause of this contract entitled "Termination for Convenience of the Government."

(d) When additional funds are allotted for continued performance of the contract line item(s) identified in paragraph (a) of this clause, the parties will agree as to the period of contract performance which will be covered by the funds. The provisions of paragraphs (b) through (d) of this clause will apply in like manner to the additional allotted funds and agreed substitute date, and the contract will be modified accordingly.

(e) If, solely by reason of failure of the Government to allot additional funds, by the dates indicated below, in amounts sufficient for timely performance of the contract line item(s) identified in paragraph (a) of this clause, the Contractor incurs additional costs or is delayed in the performance of the work under this contract and if additional funds are allotted, an equitable adjustment will be made in the price or prices (including appropriate target, billing, and ceiling prices where applicable) of the item(s), or in the time of delivery, or both. (g) The termination provisions of this clause do not limit the rights of the Government under the clause entitled “Default.” The provisions of this clause are limited to the work and allotment of funds for the contract line item(s) set forth in paragraph (a) of this clause. This clause no longer applies once the contract is fully funded except with regard to the rights or obligations of the parties concerning equitable adjustments negotiated under paragraphs (d) and (e) of this clause.
