#### **SUBPART 223.8--OZONE-DEPLETING SUBSTANCES**

##### **223.803 Policy.**

Section 211.271, Elimination of use of class I ozone-depleting substances, places restrictions on award or modification of DoD contracts requiring the use of class I ozone-depleting substances. These restrictions are in addition to any imposed by the Clean Air Act and apply after June 1, 1993, to all DoD contracts, regardless of place of performance.
