(b) Claims, losses, and damages covered—

(1) Claims by third persons for death, bodily injury, sickness, or disease, or the loss, damage, or lost use of property. Claims include those for reasonable expenses of litigation or settlement. The term “third persons” includes employees of the contractor;

(2) The loss, damage, and lost use of the Contractor's property, but excluding lost profit; and

(3) Loss, damage, or lost use of the Government's property.

(c) The claim, loss, or damage—

(1) Must arise from the direct performance of this contract;

(2) Must not be compensated by insurance or other means, or be within deductible amounts of the Contractor's insurance;

(4) Must not result from willful misconduct or lack of good faith on the part of any of the Contractor's directors or officers, managers, superintendents, or other equivalent representatives who have supervision or direction of—

(d) The Contractor shall buy and maintain, to the extent available, insurance against unusually hazardous risks in the form, amount, period(s) of time, at the rate(s), and with such insurers, as the Contracting Officer (or, for Navy contracts, the Department) may from time to time require and approve. If the cost of this insurance is higher than the cost of the insurance the Contractor had as of the date of the contract, the Government shall reimburse the Contractor for the difference in cost, as long as it is properly allocable to this contract and is not included in the contract price. The Government shall not be liable for claims, loss, or damage if insurance was available and is either required or approved under this paragraph.

(e) A reduction of the insurance coverage maintained by the Contractor on the date of the execution of this contract shall not increase the Government's liability under this clause unless the Contracting Officer consents, and the contract price is equitably adjusted, if appropriate, to reflect the Contractor's consideration for the Government's assumption of increased liability.

(f) *Notice.* The Contractor shall—

(1) Promptly notify the Contracting Officer of any occurrence, action, or claim that might trigger the Government's liability under this clause;

(2) Furnish the proof or evidence of any claim, loss, or damage in the form and manner that the Government requires; and

(g) The Government may direct, participate in, and supervise the settlement or defense of the claim or action. The Contractor shall comply with the Government's directions and execute any authorizations required.

(1) The Contracting Officer gave prior written approval for the Contractor to provide in a subcontract for the Contractor to indemnify the subcontractor for unusually hazardous risks defined in this contract;

(2) The Contracting Officer approved those indemnification provisions;

(3) The subcontract indemnification provisions entitle the Contractor, or the Government, or both, to direct, participate in, and supervise the settlement or defense of relevant actions and claims; and

(4) The subcontract provides the same rights and duties, the same provisions for notice, furnishing of papers and the like, between the Contractor and the subcontractor, as exist between the Government and the Contractor under this clause.

(i) The Government may discharge its obligations under paragraph (h) of this clause by making payments directly to subcontractors or to persons to whom the subcontractors may be liable.

development, testing, and evaluation, designed to develop or contribute to generalizable knowledge. Activities that meet this definition constitute research for purposes of 32 CFR Part 219, whether or not they are conducted or supported under a program that is considered research for other purposes. (b) The Contractor shall oversee the execution of the research to ensure compliance with this clause. The Contractor shall comply fully with 32 CFR Part 219 and DoD Directive 3216.02, applicable DoD component policies, 10 U.S.C. 980, and, when applicable, Food and Drug Administration policies and regulations.

(c) The Contractor shall not commence performance of research involving human subjects that is covered under 32 CFR Part 219 or that meets exemption criteria under 32 CFR 219.101(b), or expend funding on such effort, until and unless the conditions of either the following paragraph (c)(1) or (c)(2) have been met:

(1) The Contractor furnishes to the HRPO, with a copy to the Contracting Officer, an assurance of compliance and IRB approval and receives notification from the Contracting Officer that the HRPO has approved the assurance as appropriate for the research under the Statement of Work and also that the HRPO has reviewed the protocol and accepted the IRB approval for compliance with the DoD component policies. The Contractor may furnish evidence of an existing assurance of compliance for acceptance by the HRPO, if an appropriate assurance has been approved in connection with previous research. The Contractor shall notify the Contracting Officer immediately of any suspensions or terminations of the assurance.

(2) The Contractor furnishes to the HRPO, with a copy to the Contracting Officer, a determination that the human research proposed meets exemption criteria in 32 CFR 219.101(b) and receives written notification from the Contracting Officer that the exemption is determined acceptable. The determination shall include citation of the exemption category under 32 CFR 219.101(b) and a rationale statement. In the event of a disagreement regarding the Contractor's furnished exemption determination, the HRPO retains final judgment on what research activities or classes of research are covered or are exempt under the contract.

(d) DoD staff, consultants, and advisory groups may independently review and inspect the Contractor's research and research procedures involving human subjects and, based on such findings, DoD may prohibit research that presents unacceptable hazards or otherwise fails to comply with DoD procedures.

(e) Failure of the Contractor to comply with the requirements of this clause will result in the issuance of a stop-work order under Federal Acquisition Regulation clause 52.242-15 to immediately suspend, in whole or in part, work and further payment under this contract, or will result in other issuance of suspension of work and further payment for as long as determined necessary at the discretion of the Contracting Officer.
