RE: Consultation Comments
FAR Case 2009-038; Docket 2010-0095; Sequence 1

Dear Sir/Madam:

The Comanche Nation Construction, LLC is pleased to participate in the Federal Acquisition Regulatory (FAR) Council's Tribal consultation process regarding implementation of Section 811 of the National Defense Authorization Act for Fiscal Year 2010.

Established in April of 2009, Comanche Nation Construction, LLC is in our first year of our 8(a) Government Contracting.

Although the Comanche Nation Construction, LLC cannot outline detailed comments on the implementation of Section 811 at this time, we are submitting this letter to notify the FAR Council that the Comanche Nation Construction, LLC has reviewed the position of the Native American Contractors Association (NACA) on this issue and that NACA's written and oral comments are representative of the Comanche Nation Construction, LLC's own views or comments.

Without the clarifications to Section 811 that NACA has proposed, the impact of the implementation of Section 811 will have a dramatic chilling effect on the ability of Native enterprises to contract with the Federal Government.

Please contact me at 405-302-4804 / csingletary@comanchenationconstruction.com if you would like to discuss this further.

Sincerely,

Chuck Singletary
Chief Operating Officer
Comanche Nation Construction, LLC
