

Pub. L. 100-202  
1988 Appr. Act

SEC. 8111. Of the funds made available in this Act for military personnel appropriations, up to \$2,800,000 may be available for the purposes of section 638 of the National Defense Authorization Act for fiscal years 1988 and 1989 (Public Law 100-180).

→ SEC. 8112. Funds appropriated or made available in this Act shall be obligated and expended to continue to fully utilize the facilities at the United States Army Engineer's Waterways Experiment Station, including the continued availability of the supercomputer capability and the planned upgrade of this capability: Provided, That none of the funds in this Act may be used to purchase any supercomputer which is not manufactured in the United States, unless the Secretary of Defense certifies to the Armed Services and Appropriations Committees of Congress that such an acquisition must be made in order to acquire capability for national security purposes that is not available from United States manufacturers.

SEC. 8113. The Secretary of Defense shall take such action as may be necessary to implement at the earliest practicable date and with funds provided for such purpose by section 8110 of the Department of Defense Appropriations Act, 1986 (as contained in section 101(b) of Public Law 99-190; 99 Stat. 1222), the program proposed by the Department of Defense in a letter dated August 30, 1985, from the Assistant Secretary of Defense for Acquisition and Logistics to rehabilitate and convert current steam generating plants at defense facilities in the United States to coal burning facilities in order to achieve a coal consumption target of 1,600,000 short tons of coal per year (including at least 300,000 short tons of anthracite coal) above current consumption levels at Department of Defense facilities in the United States by fiscal year 1994: Provided, That such action shall be subject to the use of only the most cost effective fuel system in the construction of new plants or the conversion of existing plants: Provided further, That during fiscal year 1988, the amount of anthracite coal purchased by the Department shall be at least 300,000 short tons: Provided further, That the funds identified in section 8110 of Public Law 99-190 shall continue to be made available until expended to be used on a non-reimbursable basis for the administrative costs of this program.

SEC. 8114. For the purposes of the Balanced Budget and Emergency Deficit Control Act of 1985 (Public Law 99-177) as amended by the Balanced Budget and Emergency Deficit Control Reaffirmation Act of 1987 (Public Law 100-119), the term program, project, and activity for appropriations contained in this Act shall be defined as the most specific level of budget items identified in the Department of Defense Appropriations Act, 1988, the accompanying House and Senate Committee reports, the conference report and accompanying joint explanatory statement of the managers of the Committee of Conference, the related classified annexes, and the P-1 and R-1 budget justification documents as subsequently modified by Congressional action: Provided, however, that the following exception to the above definition shall apply:

For the Military Personnel and the Operation and Maintenance accounts, the term "program, project, and activity" is defined as the appropriations accounts contained in the Department of Defense Appropriations Act.
