## **SPAWAR System Center Atlantic Receipt, Inventory, Integration, Kitting and Shipping (RIKS) Team**

Nominated by Ms. Amy Mersereau-Cooper from USMC/MARSYCOM PG 10, The SPAWAR System Center – Atlantic - Receipt, Inventory, Integration, Kitting and Shipping (RIKS) Team led by Ms. Karen Hogue is the recipient of the IUID Team Excellence Award.

SPAWAR's RIKS Process is part of the ongoing IT hardware and software integration support SPAWAR provides to the Marine Corps within the Information Technology and Infrastructure (ITI) Program under Marine Corps Systems Command's Product Group 10 (PG-10). Assets procured are currently undergoing integration through SPAWAR's effort to ensure all equipment receives the benefits of being integrated through the SPAWAR RIKS ensuring the cornerstones of data are captured that facilitate lifecycle logistics support.

With the focus on Receipt, Inventory, Integration, Kitting and Shipping leveraging the power of IUID to support the USMC Requirements, this team is an example to others. They have moved beyond "compliance" of the UID Mandate, and have fully realized the power of IUID.

***For their demonstrated leadership in advancing IUID beyond compliance and the outstanding commitment for the full support of the warfighter, they are awarded the IUID Team Excellence award***

***– accepted by Ms. Karen Hogue.***
