MEMORANDUM FOR TECHNICAL DIRECTOR, AUDIT FOLLOWUP AND
GAO AFFAIRS

THROUGH: DIRECTOR, ACQUISITION RESOURCES AND ANALYSIS

SUBJECT: Report 97-134, Disposal of Munitions List Items in the Possession of
Defense Contractors

Your memorandum of February 7, 2003, asked whether the revisions to the Demilitarization Manual have been finalized. According to the DoD Demilitarization Program Manager, the final draft of the Manual is 80 percent complete. The estimated completion date is now July 1, 2003. If the Manual is published by that date, we would estimate having a DFARS revision reflecting those changes by January 1, 2004.

I recommend you refer questions on the status of the Demilitarization Manual directly to the Demilitarization Program Manager, Mr. Jack Blackway at Jack.Blackway@dla.mil or by telephone at (703)767-1539/1528/1542.
