MEMORANDUM FOR CHIEF INFORMATION OFFICER, DEFENSE LOGISTICS  
AGENCY  
CHIEF INFORMATION OFFICER, DEFENSE FINANCE  
AND ACCOUNTING SERVICE  
PRINCIPAL DIRECTOR, APPLICATIONS ENGINEERING,  
DEFENSE INFORMATION SYSTEMS AGENCY

SUBJECT: Designated Approving Authority (DAA) for Electronic Business  
Acquisition Portfolio

Management Initiative Decision (MID 905) designated the Defense Information Systems Agency (DISA) as the Executive Agent for sustainment of the Electronic Business Acquisition Portfolio. As a result, I request that DISA identify a DAA by July 31, 2003, to prepare transitioning the DAA responsibilities currently performed by the Defense Logistic Agency and Defense Finance and Accounting Service beginning in Fiscal Year 2004 for the following applications:

- Central Contractor Registration (CCR) Suite
- DoD Business Opportunities (DoDBusOpps)
- Electronic Document Access (EDA)
- Federal Technical Data Solution (FedTeDS)
- Wide Area Workflow (WAWF)

Please complete the DAA transition for each application as its authority to operate is renewed. The Navy will retain DAA responsibilities for the Past Performance Information Retrieval System (PPIRS). My action officer is Ms. Lisa Romney, at 703-614-3883 or via e-mail: [lisa.romney@osd.mil](mailto:lisa.romney@osd.mil).

Deidre A. Lee  
Director, Defense Procurement  
and Acquisition Policy
