The Honorable Pete Sessions
U.S. House of Representatives
Washington, DC 20515

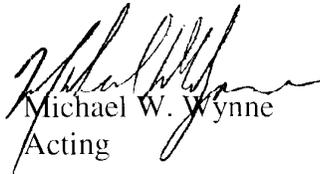

Dear Representative Sessions:

Thank you for your recent letter. I appreciate your continued interest in and support for the unique identification (UID) effort, and welcome regular meetings to advance this important program.

I suggest our offices coordinate a telephone meeting sometime in the near future to discuss the implementation challenges the program has encountered, many of which your staff correctly identified. Additionally, I would be happy to brief you on the progress we have made with UID policy development and implementation, as well as our experience to date with the ISO standard.

My staff will contact your office to arrange the telephone meeting. I look forward to the dialogue.

Sincerely,

Michael W. Wynne
