MEMORANDUM FOR DEPUTY ASSISTANT SECRETARY OF THE NAVY
(ACQUISITION MANAGEMENT), ASN (RD&A)

SUBJECT: Request for Deviation from DFARS 230.7002

In accordance with the provisions of DFARS 201.402, I hereby grant the subject request for a one time deviation from the requirements of DFARS 230.7002, Pre-award Facilities Capital Applications, for the FY 06 Refueling and Complex Overhaul (RCOH) of USS CARL VINSON (CVN 70) with a projected period of performance from November 2005 to March 2008. This one time deviation is granted based on the unique circumstances of this contract. These circumstances include a likely result of higher contract pricing if facilities capital cost of money is not excluded from target cost for the calculation of incentive fee/profit due to the large dollar amount of the facilities capital cost of money.

If you have any questions regarding this matter, please contact Ms. Robin Schulze of my Defense Acquisition Regulations System (DARS) office at 703-602-0326 or robin.schulze@osd.mil.
