SUBJECT: DoD's Earned Value Management System(EVMS) Policy Data Call

We have been conducting a review of DoD's Earned Value Management System (EVMS) policy and practices. Our Quick Look Report identified inconsistencies between contract SOW/Section H clauses and the current EVMS policy. In an effort to better understand the pervasiveness of these inconsistencies, contracting officers shall identify those contracts where special provisions (H-clauses) and/or contract SOWs that specify contract requirements over and above those called out in the applicable DFARS clause.

Request that you identify the active affected contracts by contract number and dollar value.

Provide your data responses by 20 March 2008 to my action officer Mr. Mike Pelkey, at Mike.Pelkey@osd.mil, 703-607-3542.

Director, Defense Procurement
