SUBJECT: Purchases from Federal Prison Industries; Updated List of Federal Supply
Classification Codes to be Competed

Section 827 of the National Defense Authorization Act for Fiscal Year 2008, Public Law 110-181, amended 10 U.S.C. 2410n to require that the Department of Defense (DoD) publish a list of product categories for which the Federal Prison Industries' (FPI) share of the DoD market is greater than five percent. We have issued the list annually since 2008.

The attached updated list of product categories for which FPI's share of the DoD market is greater than five percent is based on Fiscal Year 2013 data from the Federal Procurement Data System. The product categories and the products within each of the identified product categories must be procured using competitive (or fair opportunity) procedures in accordance with Defense Federal Acquisition Regulation Supplement (DFARS) 208.602-70. Contracting officers shall consider a timely offer from FPI for any of the product categories on the list when conducting the competition. FPI must be included, even if the procurement would have been a set-aside in accordance with Federal Acquisition Regulation (FAR) Part 19. In addition, an award must be made in accordance with the policy at FAR Subparts 8.602(a)(4)(ii) through (v). For a competitive solicitation, if the FPI item is determined to provide the best value to the Government, the ordering procedures at <http://www.unicor.gov> should be followed.

The attached list supersedes the list effective April 5, 2013, and shall apply to new solicitations and the resultant contracts/orders issued 30 days after the date of this memorandum. The revised list is posted on the DPAP website at:
http://www.acq.osd.mil/dpap/cpic/cp/specific_policy_areas.html#federal_prison.

If a Federal Supply Classification (FSC) code is not identified on the attached list, FPI currently does not have a significant market share and contracting officers should follow the procedures at FAR Subpart 8.6.

My staff point of contact for FPI procurement policy is Ms. Sheila Harris, 703-614-1333 or sheila.y.harris.civ@mail.mil.
