SUBJECT: Rescission of Class Deviation—Temporary Postponement of the Requirement for
Debarring and Suspending Officials to Enter Data on an Administrative
Agreement in the Federal Awardee Performance and Integrity Information
System (FAPIS).

This memorandum rescinds class deviation 2010-O0009. The class deviation was necessary to postpone the requirement that debarring and suspending officials enter the information regarding administrative agreements into FAPIS, as required by FAR 9.406-3(f) and 9.407-3(e). In the first phase of implementation, the system was not yet ready to accommodate the data. The template for storage of this data has now been incorporated into FAPIS.
