

FY 2010 CTEIP JIM Project Fielding Locations

Naval Air Warfare Center, Weapons Division, China Lake and Pt Mugu

- Common Range Integrated Instrumentation System
- Directed Energy T&E Capability
- Joint Advanced Missile Instrumentation
- Joint C4ISR / InterTEC
- Soft Impact Location Capability
- Subminiature Flight Safety System

**Naval Undersea Warfare Center
Newport, RI (Non-MRTFB)**

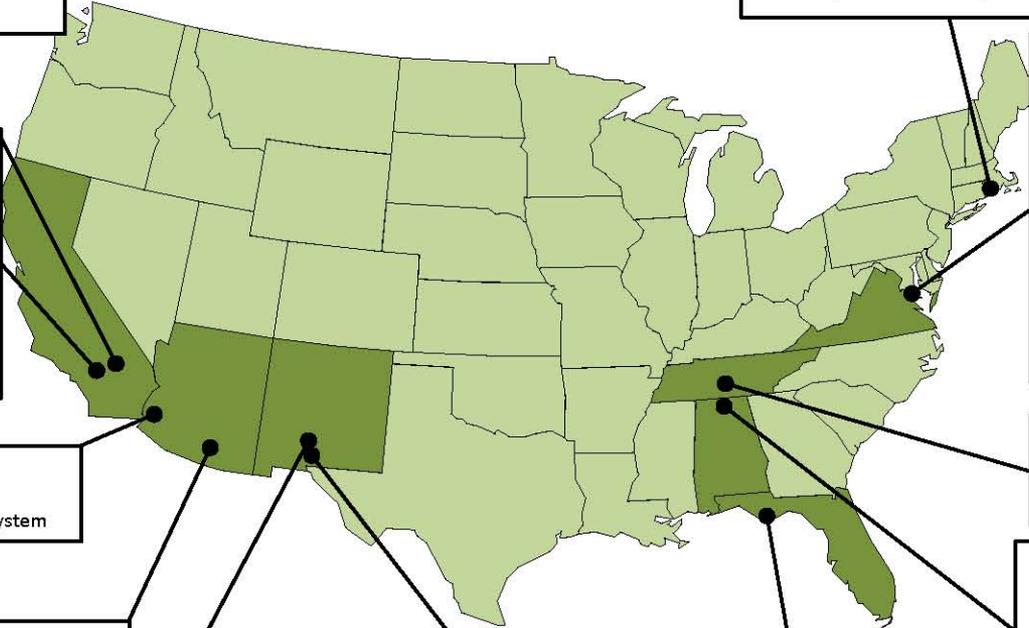

- Soft Impact Location Capability

**Naval Air Warfare Center, Aircraft Division,
Patuxent River, MD**

- Advanced Communications Environment
- Common Range Integrated Instrumentation System
- Horizontal Fast Rise EMP Pulser
- Integrated Network Enhanced Telemetry
- Joint C4ISR / InterTEC
- Joint Distributed IRCM Ground Test System
- Joint Installed Test Facility Airborne Radar Environment Simulator
- Joint UAS Mission Environment
- Multi-Level Security Joint/Coalition Network Environment

**Air Force Flight Test Center
Edwards AFB, CA**

- Advanced Communications Environment
- Common Range Integrated Instrumentation System
- Directed Energy T&E Capability
- Joint C4ISR / InterTEC
- Integrated Network Enhanced Telemetry
- Joint Installed Test Facility Airborne Radar Environment Simulator

**Arnold Engineering Development Center,
Tullahoma, TN**

- Hypersonic Propulsion Test Capability
- Space Threat Assessment Testbed

**US Army Aviation Technical Test Center &
Missile and Space Intelligence Center
Huntsville, AL**

- Joint Distributed IRCM Ground Test System
- Objective Helicopter Icing Spray System
- ITEAMS Advanced SAM Hardware Simulator Development

**Yuma Proving Ground
Yuma, AZ**

- Common Range Integrated Instrumentation System

**White Sands Missile Range & 46th Test Group
White Sands, NM**

- Common Range Integrated Instrumentation System
- Directed Energy Test and Evaluation Capability
- Joint Advanced Missile Instrumentation
- Joint C4ISR/InterTEC
- Joint Urban Test Capability
- Towed Airborne Plume Simulator
- Subminiature Flight Safety System

**Air Force Air Armament Center
Eglin AFB, FL**

- Common Range Integrated Instrumentation System
- Directed Energy T&E Capability
- Gulf Range Mobile Instrumentation Capability
- Joint C4ISR/InterTEC
- Savannah CRTC Training-Enabled Maneuver Instrumentation (STEM)
- Soft Impact Location Capability
- Subminiature Flight Safety System
- Towed Airborne Plume Simulator

**JITC/Electronic Proving Ground
Ft. Huachuca, AZ**

- Common Range Integrated Instrumentation System
- Joint C4ISR/InterTEC

Holloman AFB, NM

- UAV Systems, Operation and Validation Program

Pacific Missile Range Facility, HI

- Common Range Integrated Instrumentation System
- Joint C4ISR/InterTEC
- Pacific Region Interoperability T&E Capability
