

## Historical Perspectives on Operational Energy

By Oliver Fritz | November 05, 2014

The Office of the Assistant Secretary of Defense for Operational Energy Plans and Programs and the OSD Historical Office invite you to a special panel presentation on “Historical Perspectives on Operational Energy,” from 11:30 – 12:30 on Wednesday, 12 November, in Room B6 of the Pentagon Library and Conference Center (PLCC).

Spanning the desperate battles of World War II to the recent conflicts in Iraq and Afghanistan, the speakers and topics will include:

- Dr. Douglas Ducharme (Naval War College), “Guadalcanal and Operational Energy”
- MAJ Mark Owens (Office of the Assistant Secretary of the Army for Acquisition, Logistics, and Technology), “Energy, Equipment and Technology”
- Dr. John Deni (Army War College), “Can Operational Energy Overcome History?”

A Q&A period will follow the presentations.

For more information, visit the DoD Operational Energy website at <http://energy.defense.gov>, or the OSD Historical Office website at <http://history.defense.gov>.
