

Condition-Based Maintenance Plus Policy Working Integrated Product Team Charter

I. Name

Condition-Based Maintenance Plus (CBM+) Policy Working Integrated Product Team (WIPT).

II. Background

The original CBM+ policy was published on November 25, 2002 as a memorandum signed by the Deputy Under Secretary of Defense for Logistics and Materiel Readiness, Ms Diane K. Morales. By statute, policy memorandums are designed to be incorporated into DoD Directives within 180 days from issuance.

III. Purpose

This charter establishes the CBM+ Policy WIPT for the express purpose of researching and developing a formal DoD policy and implementing instructions to replace the 2002 memorandum. The WIPT will explore the options of incorporating the policy into either an existing DoD Directive (DoDD) or establishing a new, stand-alone Directive. Implementation documentation of the Policy will be through the use of a new DoD Instruction (DoDI). DoD 5025.1-M "DoD Directives Systems Procedures" will be the guide for writing, format and preparation of the DoDD and subsequent DoDI.

IV. Authority

The CBM+ Policy WIPT is established under the authority of the DoD CBM+ Integrated Product Team (IPT) Charter.

V. Membership

The CBM+ Policy WIPT consists of CBM+ Action Group (AG) members as delineated in the CBM+ IPT Charter. The Leader of the CBM+ Policy WIPT will be the AG Chair from OSD MR&MP.

VI. Responsibilities

The Policy WIPT Chair will direct the preparation and dissemination of required materials. The Policy WIPT AG Members shall represent their organizations on drafting, coordination and approving the CBM+ policy guidance.

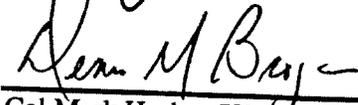

VII. Procedures

The CBM+ Policy WIPT will meet as required to draft the policy documents. All relative procedures for WIPTs as outlined in the CBM+ IPT Charter pertain.
