"One Cause, One Voice"

Mission:

1. "Transitioning Veterans into Business Owners"

AND

2. "To ensure the Federal acquisition playing field is firm, level and fair for all VOSBs & SDVOSBs"

National Veteran Small Business Coalition

“One Cause, One Voice”

Purpose:

As stakeholders with the Federal Government in the acquisition process, the purpose of the NVSBC is to further ensure that those Public Laws, Regulations and Executive Orders governing Federal Veterans in Business initiatives are exercised properly, wherever and however we can using all practical and legal means to do so by:

- Engaging Federal departments and agencies, appropriate members of Congress, Veteran and Small Business Committees, and large business prime contractors to promote policies and acquisition strategies that further participation of veteran and service-disabled veteran-owned small businesses in contracting opportunities.*

National Veteran Small Business Coalition

"One Cause, One Voice"

Purpose: (Continued)

- *Providing an ethical forum for discussions between veteran and service-disabled veteran-owned small businesses and Government and industry decision makers and leaders to further participation of veteran and service-disabled veteran-owned small businesses in prime and subcontract opportunities.*
- *Supporting the efforts of veteran small business advocacy organizations in furthering the veteran small business movement in Federal contracting to exceed mandated goals.*
- *Engaging other small business trade associations to further small business opportunities in Federal prime and subcontracting opportunities.*
- *Engaging other industry associations and organizations to promote an effective and efficient Federal acquisition process.*

National Veteran Small Business Coalition

"One Cause, One Voice"

Why We are Different:

- **Board members are all veteran business owners doing business with the Federal government**
- **Coalition is organized by business lines; agendas are established by veteran business owners**
- **Partner with Agencies and Prime Contractors to promote veteran small businesses and identify contract opportunities**
- **Veteran to Veteran Mentoring Program**
- **Promote employment opportunities for veterans**
- **Discounts for business services**
