

Defense Property Accountability System

Fleet Management Module

Deric Sims

DoD Fleet Manger

OUS (AT&L)/ARA/P&EP

WEB BASED TRAINING

- **Learning Management System (LMS) role based training in support of the DPAS applications:**
 - Courses customized to meet the requirements of each DPAS role
 - URL: <http://dpaselearning.golearnportal.org>
 - Interface with DPAS application for training certification
 - Upon successful completion of training, the DPAS application is updated giving the user access to the application
- **Webinars:**
 - DPAS hosts information workshops that users can sign-up and attend
 - Help is designed to step users through a particular process

CUSTOMER SUPPORT – CALL CENTER

Responsive:

- 90% of calls answered within 3 rings
- 80% issues resolved within 1 hour
- Trouble Ticket Nbr Issued and Tracked to completion

Service expectations:

- Operating hours: 6:00AM to 6:00PM
- Knowledgeable agents: former DPAS implementers, trainers, programmers
- During operating hours: calls usually answered immediately
 - 866-498-8687; DSN: 869-0888; COMM: 614-693-0888
- After hours: calls roll to duty person's cell phone

M&U ROLES

- **Property Administration for Fleet Manager (DPAS1023)**
- **Data Inquiry (DPAS1130)**
- **M&U Officer (DPAS8010)**
 - Full access to the M&U module
- **M&U Dispatch Officer (DPAS8030)**
 - Full access to dispatching assets and capturing utilization
- **M&U Dispatch Specialist (DPAS8035)**
 - Create and manage Operators and Addresses
 - Dispatch assets and track utilization data for profiled assets
- **M&U Data Inquiry (DPAS8040)**
- **M&U Reports and Forms Generation (DPAS8050)**

Date	Message of the Day
4/4/2014	DPAS Production and Training servers will be down at 5:00 PM Eastern Time on Friday, 4 April. The downtime is due to an emergency update of Release 2.5.00. Anticipated downtime is approximately two hours. Please plan accordingly.
3/31/2014	Beginning at 3:00 pm Eastern on Monday, 31 March the DPAS Training/SAT systems will be down and unavailable. We are upgrading the database server to new, faster hardware. This is a full migration of the database system to a new machine so the system will not be available again until 7:00 am Eastern on Tuesday morning, 01 April. Thank you for your patience.
3/26/2014	The DPAS Production database server is being upgraded to newer and faster hardware. To complete this migration, DISA will shut down Production from 5:00 - 10:00 PM Eastern on Wednesday, 26 March. Please take note of this outage and adjust your schedules accordingly.
3/24/2014	DPAS is currently experiencing timeouts affecting many processes in the system. These processes include Transfer, Update, Asset Inquiry as well as others. The Columbus Call Center has notified the individuals necessary to research and resolve these issues. Check the Message of the Day for updates.
12/12/2013	Effective January 2, 2014, the Columbus Call Center hours are 7 AM to 6 PM Eastern. On-call support will continue to be available from 6 PM to 7 AM.
7/29/2013	The DPAS Training servers will receive the monthly Microsoft security patches on the last Thursday of each month between 5:00pm and 9:00pm EST. The servers will experience a short downtime sometime during that period to reboot after installation. Please plan accordingly.

Date	Message of the Day
12/12/2013	Effective January 2, 2014, the Columbus Call Center hours are 7 AM to 6 PM Eastern. On-call support will continue to be available from 6 PM to 7 AM.
11/4/2013	DISA Ogden will be performing maintenance on network equipment inside a 3 hour window on November 12, 2013. From 8:00 PM to 11:00 PM Eastern you can expect sporadic communication outages lasting approximately 5 minutes per outage. DISA Columbus will perform the same work on November 14th (same 8:00 PM to 11:00 PM timeframe) resulting in the same possible outages. Please plan for these intermittent lapses in connectivity. Thank you.
7/29/2013	The DPAS Training servers will receive the monthly Microsoft security patches on the last Thursday of each month between 5:00pm and 9:00pm EST. The servers will experience a short downtime sometime during that period to reboot after installation. Please plan accordingly.
