Date	Message of the Day
7/31/2014	The DPAS eLearning System and Support Site will be down for server maintenance on Sunday, August 3rd from 1000 EST to 1500 EST. Please plan accordingly.
6/6/2014	Due to system maintenance at DISA DECC Ogden, the DPAS application may experience intermittent outages during the period from 05:00 Eastern time (07:00 Mountain time) until 17:00 Eastern time (19:00 Mountain time) on Sunday, June 29th. During the period from 07:00 to 08:00 Eastern time (09:00 to 10:00 Mountain time) the application will be completely unavailable.
6/4/2014	ATTENTION: We have made contacting support even EASIER! Starting June 16th - When you use the Toll Free Support Line 1-866-498-8687, you will have the option to press (1) on your phone keypad and be connected immediately to a DPAS Customer Support Specialist. PLEASE NOTE: We have also changed the email address please go to <a href="http://dpasupport.golearnportal.org/index.php/support/call-center">http://dpasupport.golearnportal.org/index.php/support/call-center</a> for the new email address. These changes will streamline the support process by getting you connected to a DPAS Customer Support Specialist a few steps quicker.
12/12/2013	Effective January 2, 2014, the Columbus Call Center hours are 7 AM to 6 PM Eastern. On-call support will continue to be available from 6 PM to 7 AM.
7/29/2013	The DPAS Training servers will receive the monthly Microsoft security patches on the last Thursday of each month between 5:00pm and 9:00pm EST. The servers will experience a short downtime sometime during that period to reboot after installation. Please plan accordingly.
