MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Call for FY14 Joint Capability Technology Demonstration (JCTD) Proposals

I invite you to submit new JCTD proposals for FY14. Proposals must have a Combatant Commander (COCOM) as the primary sponsor and support joint, coalition or inter-agency capabilities. The goal of the JCTD Program is to match COCOM needs with S&T innovation and rapidly demonstrate and transition capabilities. JCTDs should aim to be completed within two years, although longer duration projects will be considered.

There will be two Candidate Nomination Boards (CNB) and Candidate Decision Boards to review recommended FY14 starts with relevant stakeholders. The first CNB will be held in late May 2013 and the second is planned for November 2013.

JCTD proposals are accepted year round. However, candidates that would like to brief at the May 2013 CNB should submit proposals NLT March 29, 2013. Identification of an Oversight Executives (OE) is critical in the development of a JCTD proposal. Potential sponsors should contact Dan Petonito at daniel.petonito.ctr@osd.mil or 703-697-4038 who will work to obtain an appropriate OE who will be able to assist you in the development of the proposal. Please submit JCTD proposals and CNB briefing to the OE you are working with and Dan Petonito.

Thank you for your continued support and participation in the JCTD Program as we work to create enduring capabilities for the joint and coalition warfighter.

A handwritten signature in blue ink, appearing to read "Robin L. Hicks".

Robin L. Hicks
Director, JCTD Program
