SYSTEMS ENGINEERING**

**System of Systems Engineering  
Collaborators Information Exchange (SoSECIE)  
2016 Webinar Series**

*March 29, 2016*

**Intricacies of System of Systems Operational Availability and Logistics Modeling**  
Mr. Charles Carter, Mr. Dennis J. Anderson, and Ms. Tamara Brown  
Sandia National Laboratories

*April 12, 2016*

**UAF for System of Systems Modeling**  
Mr. Matthew Hause, PTC

*April 26, 2016*

**A Perspective on Decision-Making Research in System of Systems Context**  
Dr. Navin Davendralingam, Purdue University

*May 10, 2016*

**Relative Comparison of the Rate of Convergence of Collaborative Systems of Systems:  
A Quantified Multi-Case Study**  
Mr. Bernard Collins, Dr. James Moreland, George Washington University

*May 24, 2016*

**A Model of Enterprise Systems Engineering Contributions to Acquisition Success**  
Dr. Jill Drury, The MITRE Corporation

*June 7, 2016*

**Achieving MBSE Benefits amidst Multiple Government Program Office  
System of System Challenges**  
Mr. John Tyreman, Lockheed Martin

*July 12, 2016*

**Government as the Integrator of a Large Scale Modernization Effort:  
A Systems Engineering Approach to Balancing Stakeholder Needs**  
Mr. Kevin Swanson, The MITRE Corporation

*August 9, 2016*

**Systems of Systems Architecture Approach for Lifecycle Digital Environments**  
Dr. Marilyn Gaska, Lockheed Martin

*August 23, 2016*

**A Model Based Approach to System of Systems Risk Management**  
Mr. Andrew Kinder, Loughborough University, United Kingdom

All webinars are held via Defense Collaboration Services (DCS) on Tuesdays from 11:00 a.m. to 12:00 p.m. Eastern Time. To receive log-in information, send an email to [osd.atl.asd-re.se@mail.mil](mailto:osd.atl.asd-re.se@mail.mil) and ask to be added to the SoSECIE mailing list.
