

**DEPARTMENT OF DEFENSE 2011 VALUE ENGINEERING  
ACHIEVEMENT AWARD WINNERS ANNOUNCED**

Awards for 2011 were presented to the following individuals and teams in the following categories:

**Office of the Secretary of Defense**

**Joint Service Award**

Miniature/Microminiature (2M)  
Electronic Repair and Module Test and Repair Program  
Naval Sea Systems Command (SEA-04RP2)  
Washington Navy Yard, DC

Miniature/Microminiature (2M)  
Electronic Repair and Module Test and Repair Program  
Naval Undersea Warfare Center Newport, Detachment Norfolk  
Fleet Engineering Office  
Norfolk, VA

Miniature/Microminiature (2M)  
Electronic Repair and Module Test and Repair Program  
Naval Surface Warfare Center, Crane Division  
Crane, IN

Miniature/Microminiature (2M)  
Electronic Repair and Module Test and Repair Program  
Aviation Support Equipment (PMA-260)  
Naval Air Systems Command  
Patuxent River, MD

Miniature/Microminiature (2M)  
Electronic Repair and Module Test and Repair Program  
U.S. Marine Corps  
Quantico, VA

Miniature/Microminiature (2M)  
Electronic Repair and Module Test and Repair Program  
U.S. Coast Guard  
Command Control and Communications Engineering Center  
Portsmouth, VA

**DoD 2011 VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS**

---

**U.S. ARMY**

**Program/Project Award**

Aerial Target Flight Services  
Program Executive Office for Simulation, Training and Instrumentation  
Redstone Arsenal, AL

**Individual Award**

Leonard Darbyshire  
U.S. Army TACOM Life Cycle Management Command  
Warren, MI

**Team Award**

Joint Attack Munition System Value Engineering Team  
U.S. Army Aviation and Missile Command  
Redstone Arsenal, AL

**Organization Award**

Lieutenant Colonel Eric Rannow  
Product Manager, Sets, Kits, Oufits, and Tools  
Selfridge Air National Guard Base, MI

**Special Awards**

Program Executive Office Ammo  
U.S. Army Joint Munitions & Armaments Life Cycle Management Command  
Rock Island, Ill

Maintenance Engineering Division of the Aviation Engineering Directorate  
Aviation & Missile Research Development and Engineering Center  
Redstone Arsenal, AL

**DoD 2011 VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS**

---

**U.S. NAVY**

**Program/Project Award**

P-8A Poseidon Integrated Product Team  
Maritime Patrol and Reconnaissance Aircraft Program Office  
Naval Air Systems Command (PMA-290)  
Patuxent River, MD

**Individual Award**

Dominic Cusanelli  
Naval Surface Warfare Division, Carderock Division  
West Bethesda, MD

**Team Award**

Team SUB Performance Monitoring Program  
Naval Sea Systems Command (SEA-07)  
Washington Navy Yard, DC

**Special Awards**

Non-Abrasive Cleaning Technologies  
Naval Surface Warfare Center, Port Hueneme Division  
Port Hueneme, CA

TR-333 Hydrophone Analysis Team  
Naval Surface Warfare Center, Crane Division  
Crane, IN

TR-333 Hydrophone Analysis Team  
Strategic Systems Program, SP-24  
Washington Navy Yard, DC

TR-333 Hydrophone Analysis Team  
Lockheed Martin  
Mitchell Field, NY

SPS-48E Linear Slat Engineering Team  
Naval Surface Warfare Center, Crane Division  
Crane, IN

SPS-48E Linear Slat Engineering Team  
Tri-Star Engineering Incorporated  
Bedford, IN

**DoD 2011 VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS**

---

**Defense Logistics Agency**

**Program/Project Award**

F-16 Air Duct Cooling Coil  
DLA Troop Support – Construction and Equipment  
Philadelphia, PA

**Individual Award**

Diane Crider  
DLA Land and Maritime  
Columbus, Ohio

**Team Award**

Value Management Team  
DLA Land and Maritime  
Columbus, OH

**Organization Award**

DLA Aviation  
Richmond, VA

**DoD 2011 VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS**

---

**Defense Intelligence Agency**

**Team Award**

Counterintelligence and Human Intelligence Requirements  
and Operations Management Environment Technology Team  
Office of Technology, Architecture, and Program Management Divisions  
Washington, DC

Counterintelligence and Human Intelligence Requirements  
and Operations Management Environment Technology Team  
OCTO Consulting Group  
Vienna, VA

Counterintelligence and Human Intelligence Requirements  
and Operations Management Environment Technology Team  
Science Applications International Group  
Vienna, VA

Counterintelligence and Human Intelligence Requirements  
and Operations Management Environment Technology Team  
Booz, Allen, Hamilton  
Vienna, VA

Counterintelligence and Human Intelligence Requirements  
and Operations Management Environment Technology Team  
CACI International  
Arlington, VA

**Organization Award**

Hosted Server Computing Virtualization Team  
Directorate for Information Management and Chief Information Officer  
Washington, DC

**DoD 2011 VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS**

---

**Defense Threat Reduction Agency**

**Special Awards**

Virtual Analytics Process – Data to Decisions  
Innovation and Systems Engineering Office  
Defense Threat Reduction Agency  
Virtual Analytics Process – Data to Decisions  
Los Alamos National Laboratory  
Los Alamos, NM

Operational Detection Analysis and System Prediction  
Innovation and Systems Engineering Office and Nuclear Technologies Directorate  
Defense Threat Reduction Agency  
Ft. Belvoir, VA

Operational Detection Analysis and System Prediction  
Alion Science and Technology Corporation  
Alexandria, VA

Operational Detection Analysis and System Prediction  
Argonne National Laboratory  
Argonne, IL

Operational Detection Analysis and System Prediction  
Cubic Applications, Inc.  
Alexandria, VA

Operational Detection Analysis and System Prediction  
Johns Hopkins University Applied Physics Laboratory  
Baltimore, MD

Operational Detection Analysis and System Prediction  
Los Alamos National Laboratory  
Los Alamos, NM

Operational Detection Analysis and System Prediction  
Naval Research Laboratory  
Washington, DC

Operational Detection Analysis and System Prediction  
Science Applications International Corporation

**DoD 2011 VALUE ENGINEERING ACHIEVEMENT AWARD WINNERS**

---

**Missile Defense Agency**

**Program/Project Award**

Insensitive Munitions and Final Hazard Classification  
Value Engineering Team  
THAAD Project Office  
Redstone Arsenal, AL

Insensitive Munitions and Final Hazard Classification Value Engineering Team  
APT Research, Incorporated  
Huntsville, AL

Insensitive Munitions and Final Hazard Classification Value Engineering Team  
Eric Atchley, U.S. Army Aviation and Missile Command  
Redstone Arsenal, AL

Insensitive Munitions and Final Hazard Classification Value Engineering Team  
Thom Lopez, Sparta, Incorporated  
Huntsville, AL

**Individual Award**

Dave Johnson  
THAAD Project Office  
Redstone Arsenal, AL

**Team Award**

THAAD Logistics Directorate and MDA Transportation Cell  
Value Engineering Team  
Redstone Arsenal, AL

**Organization Award**

Terminal High Altitude Area Defense Project Office  
Redstone Arsenal, AL

**Outstanding Contractor Award**

John Drolette  
Lockheed Martin Space Systems Company  
Sunnyvale, CA
