PGI 204—Administrative Matters

(Revised June 25, 2010)

PGI 204.2—CONTRACT DISTRIBUTION

PGI 204.201 Procedures.

(1) The procuring contracting officer (PCO) retains the original signed contract for the official contract file. Administrative contracting officers and termination contracting officers provide the original of each modification to the PCO for retention in the official contract file. Unless otherwise directed by department/agency procedures, the office issuing the orders maintains the original of orders under basic ordering agreements and the original of provisioning orders.

(2) Ensure that distribution of contracts and modifications is consistent with security directives.

(3) Use the following distribution procedures instead of those at FAR 4.201(b) through (f):

(i) Contracts and modifications shall be distributed electronically using the following methods:

(A) Indexed Portable Document Format files shall be sent to the Electronic Document Access (EDA) (<http://eda.ogden.disa.mil>)-system to provide a human readable copy of contract documents.

(B) Electronic data files depicting the contract shall be sent in one of the following formats to EDA and to systems supporting specific offices as set forth in paragraph (ii) below. (Note that the Global EXchange system (GEX) can be used to distribute electronic files to multiple destinations.)

(1) American National Standards Institute X.12 Electronic Data Interchange standard transaction sets 850 and 860.

(2) Department of Defense Procurement Data Standard eXtensible Markup Language (XML) format.

(ii) After contract execution, provide an electronic data file copy of the contract and modifications in either X.12 or PDS XML to the following:

(A) The contract administration office, if the contracting officer delegates contract administration to another office (see FAR Subpart 42.2). The contracting officer also should provide the contract administration office with a copy of the contract distribution list, indicating those offices that should receive copies of modifications, and any changes to the list as they occur.

(B) The payment office. Provide any modification that changes the payment office to both the new and the old payment offices.

(C) Each accounting office whose funds are cited in the contract.

(D) Each consignee specified in the contract. A transshipping terminal is not a consignee. The Defense Logistics Agency is authorized to prescribe alternate procedures for distribution of contract documents in Defense Logistics Agency Europe.

(E) The military interdepartmental purchase request requiring activity in the case of coordinated acquisition.

(F) The receiving activity, if the contract or modification provides initial or amended shipping instructions under DFARS 204.7004(c)(3)(iii).

(iii) Provide electronic notice of award via EDA to the following:

(A)(1) The appropriate Defense Contract Audit Agency (DCAA) office, as listed in DCAAP 5100.1, Directory of DCAA Offices, or as obtained through the DCAA cognizant field audit office locator, both available via the Internet at <http://www.dcaa.mil>, if the contract or modification is one of the following types:

(i) Cost-reimbursement.

(ii) Time-and-materials.

(iii) Labor-hour.

(iv) Fixed-price with provisions for redetermination, cost incentives, economic price adjustment based on cost, or cost allowability.

(v) Any other contract that requires audit service.

(2) If there is a question as to the appropriate DCAA field audit office, request the assistance of the DCAA financial liaison advisor or the nearest DCAA field audit office.

(B) Those organizations required to perform contract administration support functions (e.g., when manufacturing is performed at multiple sites, provide a copy to the contract administration office cognizant of each location).
