

*Storage* means a non-transitory, semi-permanent or permanent holding, placement, or leaving of material. It does not include a temporary accumulation of a limited quantity of a material used in or a waste generated or resulting from authorized activities, such as servicing, maintenance, or repair of Department of Defense (DoD) items, equipment, or facilities.

*Toxic or hazardous materials* means—

(i) Materials referred to in section 101(14) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980 (42 U.S.C. 9601(14)) and materials designated under section 102 of CERCLA (42 U.S.C. 9602) (40 CFR Part 302);

(ii) Materials that are of an explosive, flammable, or pyrotechnic nature; or

(iii) Materials otherwise identified by the Secretary of Defense as specified in DoD regulations.

(b) In accordance with 10 U.S.C. 2692, the Contractor is prohibited from storing, treating, or disposing of toxic or hazardous materials not owned by DoD on a DoD installation, except to the extent authorized by a statutory exception to 10 U.S.C. 2692 or as authorized by the Secretary of Defense. A charge may be assessed for any storage or disposal authorized under any of the exceptions to 10 U.S.C. 2692. If a charge is to be assessed, then such assessment shall be identified elsewhere in the contract with payment to the Government on a reimbursable cost basis.

(c) With respect to treatment or disposal authorized pursuant to DFARS 223.7104(10) (10 U.S.C. 2692(b)(10)), and notwithstanding any other provision of the contract, the Contractor assumes all financial and environmental responsibility and liability resulting from any treatment or disposal of toxic or hazardous materials not owned by DoD on a military installation. The Contractor shall indemnify, defend, and hold the Government harmless for all costs, liability, or penalties resulting from the Contractor's treatment or disposal of toxic or hazardous materials not owned by DoD on a military installation.

(d) The Contractor shall include the substance of this clause, including this paragraph (d), in all subcontracts that require, may require, or permit a subcontractor access to a DoD installation, at any tier. Inclusion of the substance of this clause in subcontracts does not relieve the prime Contractor of liability to the Government under paragraph (c) of this clause.

#### Defense Federal Acquisition Regulation Supplement: Clauses With Alternates—Taxes (DFARS Case 2013-D025)

**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD is issuing a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to create an overarching prescription for a tax-related clause with an alternate and add a separate prescription for the basic clause. The rule also includes in the regulation the full text of the alternate clause.

**DATES:** Effective September 30, 2014.

**FOR FURTHER INFORMATION CONTACT:** Ms. Jennifer Hawes, telephone 571-372-6115.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

DoD published a proposed rule in the *Federal Register* at 79 FR 11381 on February 28, 2014, to revise the presentation of the DFARS part 229 clause with an alternate. No public comments were submitted in response to the proposed rule.

##### II. Discussion

This final rule revises the single DFARS part 229 clause, 252.229-7001, Tax Relief, which has an alternate. The naming convention results in proposed new clause titles, i.e., Tax Relief—Basic and Tax Relief—Alternate I. An umbrella prescription contains the elements common to the basic clause and the alternate. The specific prescriptions for the basic clause and the alternate address only the requirements for their use that enable the selection of the basic or the alternate.

##### III. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and

equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

#### IV. Regulatory Flexibility Act

A final regulatory flexibility analysis has been prepared consistent with the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, and is summarized as follows:

This final rule amends the Defense Federal Acquisition Regulation Supplement (DFARS) to (1) create an umbrella prescription for the elements common to the basic clause and the alternate of DFARS clause 252.229-7001, Tax Relief, (2) create a specific prescription for the basic clause and alternate clause that address only the requirements for their use, and (3) include the full text of the alternate clause.

No comments were received from the public in response to the initial regulatory flexibility analysis.

There will be no impact on small business entities since DFARS clause 252.229-7001 is used only in solicitations and contracts when award is made to a foreign concern and performance is in a foreign country.

This rule does not add any new information collection, reporting, or record keeping requirements. No alternatives were identified that will accomplish the objectives of the rule.

#### V. Paperwork Reduction Act

The rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. chapter 35).

If the Contractor intends to use imported products from inventories on hand, the price of which includes a factor for import duties, the Contractor shall ensure the United States Government's exemption from these taxes. The Contractor may obtain a refund of the import duties from its government or request the duty-free import of an amount of supplies or components corresponding to that used from inventory for this contract.

(d) Tax relief will be claimed in Germany pursuant to the provisions of the Agreement Between the United States of America and Germany Concerning Tax Relief to be Accorded by Germany to United States Expenditures in the Interest of Common Defense. The Contractor shall use Abwicklungsschein fuer abgabenbeguenstigte Lieferungen/Leistungen nach dem Offshore Steuerabkommen (Performance Certificate for Tax-Free Deliveries/Performance according to the Offshore Tax Relief Agreement) or other documentary evidence acceptable to the German tax authorities. All purchases made and paid for on a tax-free basis during a 30-day period may be accumulated, totaled, and reported as tax-free.

RIN 0648–XD515

**Atlantic Surfclam and Ocean Quahog Fisheries; 2015 Fishing Quotas for Atlantic Surfclams and Ocean Quahogs; and Suspension of Minimum Atlantic Surfclam Size Limit**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Temporary rule.

**SUMMARY:** NMFS suspends the minimum size limit for Atlantic surfclams for the 2015 fishing year. NMFS also announces that the quotas for the Atlantic surfclam and ocean quahog fisheries for 2015 will remain status quo. Regulations governing these fisheries require NMFS to notify the public in the **Federal Register** of the allowable harvest levels for Atlantic surfclams and ocean quahogs from the Exclusive Economic Zone if the previous year's quota specifications remain unchanged.

**DATES:** Effective January 1, 2015, through December 31, 2015.

**FOR FURTHER INFORMATION CONTACT:** Douglas Potts, Fishery Policy Analyst, 978–281–9341.

**SUPPLEMENTARY INFORMATION:** The regulations implementing the fishery management plan (FMP) for the Atlantic surfclam and ocean quahog fisheries at 50 CFR 648.75(b)(3), authorize the Administrator, Greater Atlantic Region,

NMFS (Regional Administrator), to suspend annually, by publication of a notification in the **Federal Register**, the minimum size limit for Atlantic surfclams. This action may be taken unless discard, catch, and biological sampling data indicate that 30 percent or more of the Atlantic surfclam resource have a shell length less than 4.75 inches (120 mm), and the overall reduced size is not attributable to harvest from beds where growth of the individual clams has been reduced because of density-dependent factors.

At its June 2014 meeting, the Mid-Atlantic Fishery Management Council voted to recommend that the Regional Administrator suspend the minimum size limit for Atlantic surfclams for the 2015 fishing year. Commercial surfclam data for 2014 were analyzed to determine the percentage of surfclams that were smaller than the minimum size requirement. The analysis indicated that 5.9 percent of the overall commercial landings were composed of surfclams that were less than 4.75 in (120 mm). Based on these data, the Regional Administrator concurs with the Council's recommendation, and suspends the minimum size limit for Atlantic surfclams from January 1 through December 31, 2015.

The FMP for the Atlantic surfclam and ocean quahog fisheries requires that NMFS issue notification in the **Federal Register** of the upcoming year's quota, even in cases where the quota remains unchanged from the previous year. At its June 2014 meeting, the Council also voted that no action be taken to change the quota specifications for Atlantic surfclams and ocean quahogs for the 2015 fishing year, and recommended maintaining the 2014 quota levels of 3.4 million bu (181 million L) for Atlantic surfclams, 5.3 million bu (284 million L) for ocean quahogs, and 100,000 Maine bu (3.524 million L) for Maine ocean quahogs, as announced in the **Federal Register** on December 20, 2013 (78 FR 77005).

**Classification**

This action is authorized by 50 CFR part 648 and is exempt from review under Executive Order 12866.
