

# Department of Defense Intellectual Property Forum 2023

## **Abby Boggs**

*Intellectual Property Specialist, Office of the Deputy Assistant Secretary of the Army (Strategy & Acquisition Reform)*

Ms. Abby Boggs is an Intellectual Property Specialist in the Office of the Deputy Assistant Secretary of the Army (Strategy & Acquisition Reform). She is a member of the Army Intellectual Property Cell of Experts, which provides advice, assistance, and resources to the acquisition workforce on IP matters, and serves as a conduit for industry to address IP-related issues.

Ms. Boggs previously served as the Deputy of Operations as a detailee to the Department of the Navy's Technology Transfer Program at the Office of Naval Research in Arlington VA. Her responsibilities included managing day-to-day operations such as finance, requirements, and strategic initiatives. Ms. Boggs served as a Technology Transfer Strategist at the Air Education and Training Command at Randolph AFB in San Antonio, Texas from November 2021 to March 2023. In this role she provided AETC leadership advice and guidance on activities related to research and development, intellectual property, and technology transfer/transition.

From February 2011 to October 2021, Ms. Boggs served as an Intellectual Property Manager and Technology Transfer Specialist at the Air Force Research Lab at Wright Patterson Air Force Base in Dayton, Ohio. In this role, she was the Air Force's lead Office of Research and Technology Applications, responsible for all aspects of technology transfer management from negotiating agreements to technology scouting.
