

Agenda

- Introduction
- A&S Re-Structure
- Adaptive Acquisition Framework
- Summary

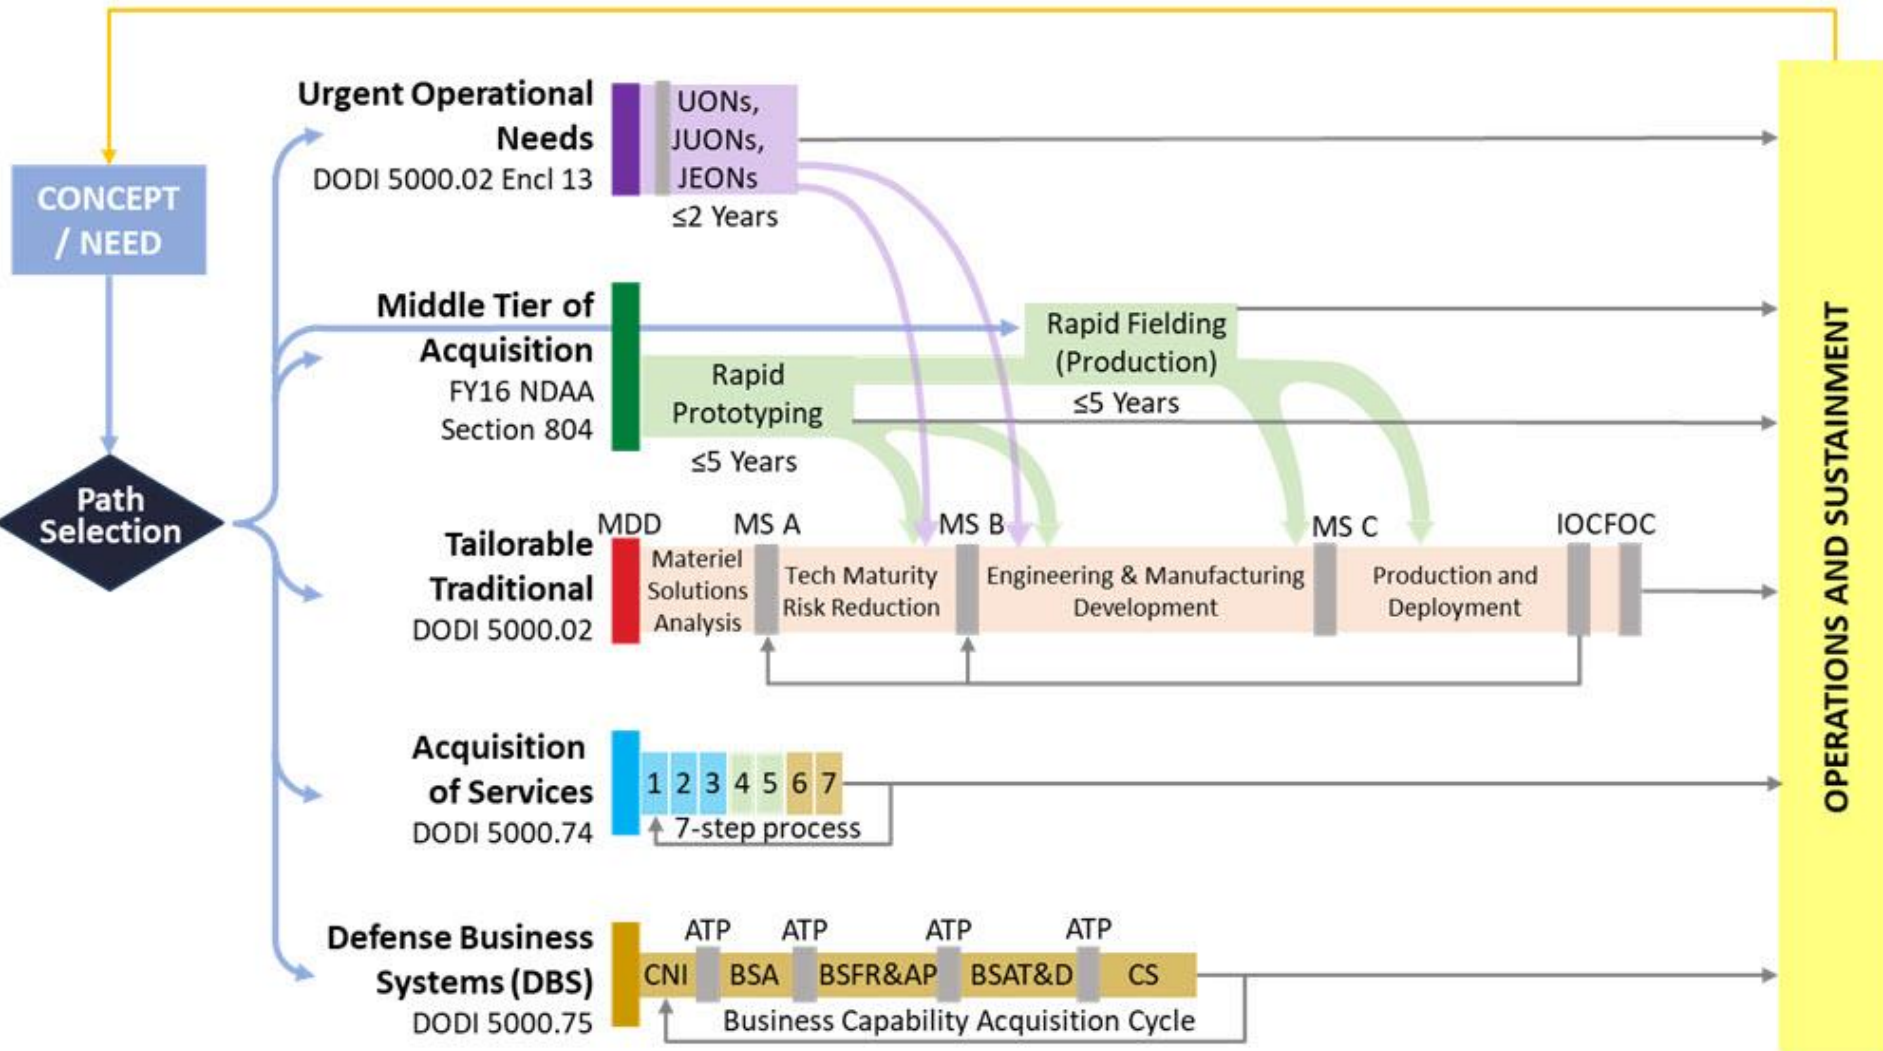

A&S Re-Structure

- Implementing the most significant DoD Organizational restructure in 30 years
- Split USD(AT&L) into the USD(R&E) and USD(A&S)
- Within USD(A&S) Restructured the ASD(A)
 - More portfolio oriented/ Less program oversight
- Created a DASD Acquisition Enablers

DoD GOAL: Enhance Acquisition Decision Making and Improve Acquisition Outcomes

Adaptive Acquisition Framework

Summary

- The Department has a unique opportunity to change the way program acquisitions are managed
- Improve Acquisition outcomes (cost, schedule, and performance) by:
 - Utilizing tailored approaches that make the most sense for the program
 - Establish greater accountability and accelerate decision making
- Looking forward to continued engagement with Government and Industry to improve Acquisition performance
