SUBJECT: Release of Procurement Data Standard Version 2.6.2

The Procurement Data Standard (PDS) provides the required data structure for distributing contract actions in accordance with Defense Federal Acquisition Regulation Supplement subpart 204.201.

This memorandum is to notify you that PDS Version 2.6.2 has been published and is now available at the Program Development and Implementation webpage:
http://www.acq.osd.mil/dpap/pdi/eb/procurement_data_standard.html.

PDS Version 2.6.2 adds elements for tracking of undefinitized contract actions, along with other updates. For a complete listing of all enhancements, the PDS Version 2.6.2 Change Log is available at the link provided above. Implementation of this version will be coordinated through the monthly In Process Reviews.

Questions and comments may be directed to my action officer, Mr. Bruce Propert,
david.b.propert2.civ@mail.mil or 703-697-4384.
