
Procure-to-Pay Capability Summary

PUBLICATION DATE: September 25, 2023

SUBJECT: CAGE Ownership of Offeror (OoO)

By law and effective November 1, 2014, Federal Acquisition Regulation (FAR) Subpart 4.18 requires entities to provide System for Award Management (SAM) information about immediate and highest levels owners of the registered entity and identify them by their CAGE codes.

The purpose of the collection of this data is to provide insight and knowledge into the following areas:

- (1) Federal spending patterns across corporations
- (2) Traceability in tracking performance issues across corporations
- (3) Contractor personnel outside the United States
- (4) Supply chain traceability and integrity efforts

BACKGROUND: The CAGE and General Services Administration (GSA) SAM program office collaborated to receive, store, and present this collected OoO data to the public via cage.dla.mil. The CAGE Program office has developed capability to view OoO within CAGE Search and Inquiry (CSI) at cage.dla.mil/Search. A search under CAGE CSI will display OoO information for entities with OoO information available from SAM.

POLICY: To collect, store, and present all OoO data received from SAM to the public in accordance with FAR Subpart 4.18.

IMPACT: CAGE is currently in compliance with FAR Federal regulations concerning the receiving of, storing, and handling of OoO data. This data is currently available to the public at cage.dla.mil.
