Legend: Automatically populated Automatically populated, can be updated

Home (Org) DoDAAC: "I sit here"
Role (Location) DoDAAC / Group (Path): "I perform my duties here"
Procurement DoDAAC: "My purchasing is approved by this contracting office". Entered by the OA/OPC and A/OPC on their appointments. When they initiate an appointment for A/BO or CH, this gets populated into their appointment. It can be updated prior to completing the initiation of the appointment. *Used for FPDS Reporting and US Bank Reporting purposes.*
Authority DoDAAC / Group (Path): *Automatically captured when the DAS* signs the appointment - "I got my authority from here"*

*DAS = Delegating Appointing Signatory. DAS represents the DAA, the OA/OPCs and A/OPCs with Delegating Authority.
