

DoD Contracting Officer's Representatives Guidebook Major Changes (2021 versus 2012)

- **Added the following stand alone chapters:**
 - **CORs in the Contingency Environment**
 - **Domestic Emergency Response**
- **Other changes:**
 - **Added paragraph numbers and subparagraph references**
 - **Provided better context to content, examples, and notes**
 - **Reduced page count from 193 to 166**
- **Format changes include:**
 - **Made it a Guidebook versus a Handbook (Link in DFARS PGI)**
 - **Guide begins with quick start pictorial guide versus DPC Memo**
 - **Included footnotes in applicable sections vice end of Handbook**
 - **Imbedding surveillance guidance within existing applicable chapters vice a stand alone chapter**
