MEMORANDUM FOR THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

SUBJECT: Federal Support for the AbilityOne Program

Americans with disabilities make valuable contributions to our country's workforce that help keep our Nation the world's economic leader. Expanding employment opportunities for these individuals will help ensure that our economy is drawing on the talents and creativity of all its citizens and that America remains a place of opportunity for all. Supporting the AbilityOne Program is one good way to achieve this goal.

The AbilityOne Program (formerly the Javits-Wagner-O'Day Program) is a Federal initiative that works with public and private organizations to generate employment opportunities for Americans who are blind or have other disabilities. Nearly 43,000 individuals work in more than 600 community-based nonprofit agencies that serve people with a wide range of disabilities and sell products and services to the Federal Government through the AbilityOne Program.

The AbilityOne Program has taken steps to embrace successful business practices, including e-commerce and performance-based contracting. Strong support from Federal customers is critical to fulfilling this important program's employment mission. Therefore, I encourage you to ensure that your agency's procurement officials acquire products and services provided by the AbilityOne Program, consistent with existing law.

Additional information about the AbilityOne Program may be obtained by contacting the Committee for Purchase From People Who Are Blind or Severely Disabled or by visiting www.AbilityOne.gov.
