Dear Mr. Herrington:

Section 801 of the National Defense Authorization Act for Fiscal Year (FY) 2008 requires that when another agency performs a procurement function on behalf of the U.S. Department of Defense (DoD), that the servicing agency comply with all applicable DoD requirements. It is anticipated that during FY 2020, U.S. Immigration and Customs Enforcement (ICE) will award procurements on behalf of the DoD associated with overseas support contracts. As the Chief Procurement Officer for the U.S. Department of Homeland Security (DHS), I hereby certify that DHS will comply with all applicable DoD requirements for each delegated procurement as described in the Interagency Agreement that initiates each procurement action.

Please direct questions regarding this matter to Ellen Murray, Office of the Chief Procurement Officer, at 202-447-5311 or Ellen.Murray@hq.dhs.gov.

Sincerely,
