SUBPART 207.1—ACQUISITION PLANS
(Revised April 13, 2018)

207.102 Policy.

(a)(1) See [212.102](#) regarding requirements for a written determination that the commercial item definition has been met when using FAR Part 12 procedures.

207.103 Agency-head responsibilities.

(d)(i) Prepare written acquisition plans for—

(A) Acquisitions for development, as defined in FAR 35.001, when the total cost of all contracts for the acquisition program is estimated at \$10 million or more;

(B) Acquisitions for production or services when the total cost of all contracts for the acquisition program is estimated at \$50 million or more for all years or \$25 million or more for any fiscal year; and

(C) Any other acquisition considered appropriate by the department or agency.

(ii) Written plans are not required in acquisitions for a final buy out or one-time buy. The terms "final buy out" and "one-time buy" refer to a single contract that covers all known present and future requirements. This exception does not apply to a multiyear contract or a contract with options or phases.

(e) Prepare written acquisition plans for acquisition programs meeting the thresholds of paragraphs (d)(i)(A) and (B) of this section on a program basis. Other acquisition plans may be written on either a program or an individual contract basis.

(g) The program manager, or other official responsible for the program, has overall responsibility for acquisition planning.

(h) For procurement of conventional ammunition, as defined in DoDD 5160.65, Single Manager for Conventional Ammunition (SMCA), the SMCA will review the acquisition plan to determine if it is consistent with retaining national technology and industrial base capabilities in accordance with 10 U.S.C. 2304(c)(3) and Section 806 of Pub. L. 105-261. The department or agency--

(i) Shall submit the acquisition plan to the address in [PGI 207.103\(h\)](#); and

(ii) Shall not proceed with the procurement until the SMCA provides written concurrence with the acquisition plan. In the case of a non-concurrence, the SMCA will resolve issues with the Army Office of the Executive Director for Conventional Ammunition.

207.104 General procedures.

In developing an acquisition plan, agency officials shall take into account the requirement for scheduling and conducting a Peer Review in accordance with [201.170](#).

207.105 Contents of written acquisition plans.

In addition to the requirements of FAR 7.105, planners shall follow the procedures at [PGI 207.105](#).

207.106 Additional requirements for major systems.

(b)(1)(A) The contracting officer is prohibited by 10 U.S.C. 2305(d)(4)(A) from requiring offers for development or production of major systems that would enable the Government to use technical data to competitively reprocure identical items or components of the system if the item or component were developed exclusively at private expense, unless the contracting officer determines that—

- (1) The original supplier of the item or component will be unable to satisfy program schedule or delivery requirements;
- (2) Proposals by the original supplier of the item or component to meet mobilization requirements are insufficient to meet the agency's mobilization needs; or
- (3) The Government is otherwise entitled to unlimited rights in technical data.

(B) If the contracting officer makes a determination, under paragraphs (b)(1)(A)(1) and (2) of this section, for a competitive solicitation, 10 U.S.C. 2305(d)(4)(B) requires that the evaluation of items developed at private expense be based on an analysis of the total value, in terms of innovative design, life-cycle costs, and other pertinent factors, of incorporating such items in the system.

(S-70)(1) In accordance with Section 802(a) of the National Defense Authorization Act for Fiscal Year 2007 (Pub. L. 109-364) and DoD policy requirements, acquisition plans for major weapon systems and subsystems of major weapon systems shall—

- (i) Assess the long-term technical data and computer software needs of those systems and subsystems; and
- (ii) Establish acquisition strategies that provide for the technical data deliverables and associated license rights needed to sustain those systems and subsystems over their life cycle. The strategy may include—
 - (A) The development of maintenance capabilities within DoD; or
 - (B) Competition for contracts for sustainment of the systems or subsystems.

(2) Assessments and corresponding acquisition strategies developed under this section shall—

- (i) Be developed before issuance of a solicitation for the weapon system or subsystem;
- (ii) Address the merits of including a priced contract option for the future delivery of technical data and computer software, and associated license rights, that were not acquired upon initial contract award;

Defense Federal Acquisition Regulation Supplement

Part 207—Acquisition Planning

(iii) Address the potential for changes in the sustainment plan over the life cycle of the weapon system or subsystem; and

(iv) Apply to weapon systems and subsystems that are to be supported by performance-based logistics arrangements as well as to weapon systems and subsystems that are to be supported by other sustainment approaches.

(S-71) See [209.570](#) for policy applicable to acquisition strategies that consider the use of lead system integrators.

(S-72)(1) In accordance with section 202 of the Weapon Systems Acquisition Reform Act of 2009 (Pub. L. 111-23), acquisition plans for major defense acquisition programs as defined in 10 U.S.C. 2430, shall include measures that—

(i) Ensure competition, or the option of competition, at both the prime contract level and subcontract level (at such tier or tiers as are appropriate) throughout the program life cycle as a means to improve contractor performance; and

(ii) Document the rationale for the selection of the appropriate subcontract tier or tiers under paragraph (S-72)(1)(i) of this section, and the measures which will be employed to ensure competition, or the option of competition.

(2) Measures to ensure competition, or the option of competition, may include, but are not limited to, cost-effective measures intended to achieve the following:

- (i) Competitive prototyping.
- (ii) Dual-sourcing.
- (iii) Unbundling of contracts.
- (iv) Funding of next-generation prototype systems or subsystems.
- (v) Use of modular, open architectures to enable competition for upgrades.
- (vi) Use of build-to-print approaches to enable production through multiple sources.
- (vii) Acquisition of complete technical data packages.
- (viii) Periodic competitions for subsystem upgrades.
- (ix) Licensing of additional suppliers.
- (x) Periodic system or program reviews to address long-term competitive effects of program decisions.

(3) In order to ensure fair and objective “make-or-buy” decisions by prime contractors, acquisition strategies and resultant solicitations and contracts shall—

(i) Require prime contractors to give full and fair consideration to qualified sources other than the prime contractor for the development or construction of major subsystems and components of major weapon systems;

(ii) Provide for Government surveillance of the process by which prime contractors consider such sources and determine whether to conduct such development or construction in-house or through a subcontract; and

(iii) Provide for the assessment of the extent to which the prime contractor has given full and fair consideration to qualified sources in sourcing decisions as a part of past performance evaluations.

(4) Whenever a source-of-repair decision results in a plan to award a contract for the performance of maintenance and sustainment services on a major weapon system, to the maximum extent practicable and consistent with statutory requirements, the acquisition plan shall prescribe that award will be made on a competitive basis after giving full consideration to all sources (including sources that partner or subcontract with public or private sector repair activities).

(S-73) In accordance with section 815 of the National Defense Authorization Act for Fiscal Year 2009 (Pub. L. 110-417) and DoD policy requirements, acquisition plans for major weapons systems shall include a plan for the preservation and storage of special tooling associated with the production of hardware for major defense acquisition programs through the end of the service life of the related weapons system. The plan shall include the identification of any contract clauses, facilities, and funding required for the preservation and storage of such tooling. The Undersecretary of Defense for Acquisition, Technology, and Logistics (USD(AT&L)) may waive this requirement if USD(AT&L) determines that it is in the best interest of DoD.

(S-74) When selecting contract type, see 234.004 (section 811 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239)).

207.170 Reserved.

207.171 Component breakout.

207.171-1 Scope.

(a) This section provides policy for breaking out components of end items for future acquisitions so that the Government can purchase the components directly from the manufacturer or supplier and furnish them to the end item manufacturer as Government-furnished material.

(b) This section does not apply to—

(1) The initial decisions on Government-furnished equipment or contractor-furnished equipment that are made at the inception of an acquisition program; or

(2) Breakout of parts for replenishment (see Appendix E).

207.171-2 Definition.

“Component,” as used in this section, includes subsystems, assemblies, subassemblies, and other major elements of an end item; it does not include elements of relatively small annual acquisition value.

207.171-3 Policy.

DoD policy is to break out components of weapons systems or other major end items under certain circumstances.

(a) When it is anticipated that a prime contract will be awarded without adequate price competition, and the prime contractor is expected to acquire any component without adequate price competition, the agency shall break out that component if—

Defense Federal Acquisition Regulation Supplement

Part 207—Acquisition Planning

- (1) Substantial net cost savings probably will be achieved; and
 - (2) Breakout action will not jeopardize the quality, reliability, performance, or timely delivery of the end item.
- (b) Even when either or both the prime contract and the component will be acquired with adequate price competition, the agency shall consider breakout of the component if substantial net cost savings will result from—
- (1) Greater quantity acquisitions; or
 - (2) Such factors as improved logistics support (through reduction in varieties of spare parts) and economies in operations and training (through standardization of design).
- (c) Breakout normally is not justified for a component that is not expected to exceed \$1 million for the current year's requirement.

207.171-4 Procedures.

Agencies shall follow the procedures at [PGI 207.171-4](#) for component breakout.

207.172 Human research.

Any DoD component sponsoring research involving human subjects—

- (a) Is responsible for oversight of compliance with 32 CFR Part 219, Protection of Human Subjects; and
- (b) Must have a Human Research Protection Official, as defined in the clause at [252.235-7004](#), Protection of Human Subjects, and identified in the DoD component's Human Research Protection Management Plan. This official is responsible for the oversight and execution of the requirements of the clause at [252.235-7004](#) and shall be identified in acquisition planning.

Defense Federal Acquisition Regulation Supplement

Part 210—Market Research

(Revised April 13, 2018)

210.001 Policy.

(a) In addition to the requirements of FAR 10.001(a), agencies shall—

(i) Conduct market research appropriate to the circumstances before issuing a solicitation with tiered evaluation of offers (section 816 of Pub. L. 109-163); and

(ii) Use the results of market research to determine whether the criteria in FAR part 19 are met for setting aside the acquisition for small business or, for a task or delivery order, whether there are a sufficient number of qualified small business concerns available to justify limiting competition under the terms of the contract. If the contracting officer cannot determine whether the criteria are met, the contracting officer shall include a written explanation in the contract file as to why such a determination could not be made (section 816 of Pub. L. 109-163).

(c)(2) In addition to the notification requirements at FAR 10.001(c)(2)(i) and (ii), see [205.205-70](#) for the bundling notification publication requirement.

210.002 Procedures.

(e)(i) When contracting for services, see [PGI 210.070](#), for the “Market Research Report Guide for Improving the Tradecraft in Services Acquisition”.

(ii) See [PGI 210.002](#)(e)(ii) regarding potential offerors that express an interest in an acquisition.

(iii) Follow the procedures at [PGI 210.002](#)(e)(iii) regarding contract file documentation.

SUBPART 211.5—LIQUIDATED DAMAGES

(Revised April 13, 2018)

211.500 Scope.

This subpart and FAR subpart 11.5 do not apply to liquidated damages for comprehensive subcontracting plans under the Test Program for Negotiation of Comprehensive Small Business Subcontracting Plans. See [219.702-70](#) for coverage of liquidated damages for comprehensive subcontracting plans.

211.503 Contract clauses.

(b) Use the clause at FAR 52.211-12, Liquidated Damages--Construction, in all construction contracts exceeding \$700,000, except cost-plus-fixed-fee contracts or contracts where the contractor cannot control the pace of the work. Use of the clause in contracts of \$700,000 or less is optional.

See DoD Class Deviation [2013-O0019](#), Commercial Item Omnibus Clause for Acquisitions Using the Standard Procurement System, issued September 25, 2013. This class deviation allows the contracting officer to use the SPS clause logic capability to automatically select the clauses that are applicable to the specific solicitation and contract. The contracting officer shall ensure that the deviation clause is incorporated into these solicitations and contracts because the deviation clause fulfills the statutory requirements on auditing and subcontract clauses applicable to commercial items. The deviation also authorizes adjustments to the deviation clause required by future changes to the clause at 52.212-5 that are published in the FAR. This deviation is effective for five years, or until otherwise rescinded.

(c) Include an evaluation factor regarding supply chain risk (see subpart [239.73](#)) when acquiring information technology, whether as a service or as a supply, that is a covered system, is a part of a covered system, or is in support of a covered system, as defined in [239.7301](#).

(f) The following additional provisions and clauses apply to DoD solicitations and contracts using FAR part 12 procedures for the acquisition of commercial items. If the offeror has completed any of the following provisions listed in this paragraph electronically as part of its annual representations and certifications at <https://www.acquisition.gov>, the contracting officer shall consider this information instead of requiring the offeror to complete these provisions for a particular solicitation.

**SUBPART 213.70—SIMPLIFIED ACQUISITION PROCEDURES UNDER THE
8(a) PROGRAM**

(Revised April 13, 2018)

213.7001 Procedures.

(a)(1) For acquisitions that are otherwise appropriate to be conducted using procedures set forth in this part, and also eligible for the 8(a) Program, contracting officers may use—

(i) For sole source purchase orders not exceeding the simplified acquisition threshold, the procedures in [PGI 219.804-2\(2\)](#); or

(ii) For other types of acquisitions, the procedures in [PGI 219.8](#), excluding the procedures in [PGI 219.804-2\(2\)](#); or

(2) The procedures for award to the Small Business Administration in FAR subpart 19.8.

(b) To comply with section 898 of the National Defense Authorization Act for Fiscal Year 2016 (Pub. L. 114-92), contracting officers shall not use the sole source authority at FAR 6.302-5(b)(4) to purchase religious-related services to be performed on a United States military installation. For competitive purchases under the 8(a) program, contracting officers shall not exclude a nonprofit organization from the competition. See [219.270](#) for additional procedures.

213.7002 Purchase orders.

The contracting officer need not obtain a contractor's written acceptance of a purchase order or modification of a purchase order for an acquisition under the 8(a) Program pursuant to [219.804-2\(2\)](#).

SUBPART 215.3—SOURCE SELECTION

(Revised April 13, 2018)

215.300 Scope of subpart.

Contracting officers shall follow the principles and procedures in Director, Defense Procurement and Acquisition Policy memorandum dated April 1, 2016, entitled “[Department of Defense Source Selection Procedures](#),” when conducting negotiated, competitive acquisitions utilizing FAR part 15 procedures. See [PGI 215.300](#).

215.303 Responsibilities.

(b)(2) For high-dollar value and other acquisitions, as prescribed by agency procedures, the source selection authority shall approve a source selection plan before the solicitation is issued. Follow the procedures at [PGI 215.303\(b\)\(2\)](#) for preparation of the source selection plan.

215.304 Evaluation factors and significant subfactors.

(c)(i) In acquisitions that require use of the clause at FAR 52.219-9, Small Business Subcontracting Plan, other than those based on the lowest price technically acceptable source selection process (see FAR 15.101-2), the extent of participation of small businesses to include service-disabled veteran-owned small business concerns, HUBZone small business concerns, small disadvantaged business concerns, and women-owned small business concerns in performance of the contract shall be addressed in source selection. The contracting officer shall evaluate the extent to which offerors identify and commit to small business performance of the contract, whether as a joint venture, teaming arrangement, or subcontractor.

(A) See [PGI 215.304\(c\)\(i\)\(A\)](#) for examples of evaluation factors.

(B) Proposals addressing the extent of small business performance shall be separate from subcontracting plans submitted pursuant to the clause at FAR 52.219-9 and shall be structured to allow for consideration of offers from small businesses.

(C) When an evaluation assesses the extent that small businesses are specifically identified in proposals, the small businesses considered in the evaluation shall be listed in any subcontracting plan submitted pursuant to FAR 52.219-9 to facilitate compliance with [252.219-7003\(e\)](#).

(ii) In accordance with 10 U.S.C. 2436, consider the purchase of capital assets (including machine tools) manufactured in the United States, in source selections for all major defense acquisition programs as defined in 10 U.S.C. 2430.

(iii) See [247.573-2\(c\)](#) for additional evaluation factors required in solicitations for the direct purchase of ocean transportation services.

(iv) In accordance with section 812 of the National Defense Authorization Act for Fiscal Year 2011, consider the manufacturing readiness and manufacturing-readiness processes of potential contractors and subcontractors as a part of the source selection process for major defense acquisition programs.

(v) Include an evaluation factor regarding supply chain risk (see subpart [239.73](#)) when acquiring information technology, whether as a service or as a supply, that is a covered system, is a part of a covered system, or is in support of a covered system, as defined in 239.7301. For additional guidance see PGI 215.304(c)(v).

See DoD Class Deviation [2013-O0018](#), [Past Performance Evaluation Thresholds and Reporting Requirements, issued on September 24, 2013, which updates the DoD thresholds for evaluating a contractor's past performance in source selections for competitive acquisitions. This deviation is in effect until incorporated into the DFARS or otherwise rescinded.](#)

215.305 Proposal evaluation.

(a)(2) *Past performance evaluation.*

(A) When a past performance evaluation is required by FAR 15.304, and the solicitation includes the clause at FAR 52.219-8, Utilization of Small Business Concerns, the evaluation factors shall include the past performance of offerors in complying with requirements of that clause. When a past performance evaluation is required by FAR 15.304, and the solicitation includes the clause at FAR 52.219-9, Small Business Subcontracting Plan, the evaluation factors shall include the past performance of offerors in complying with requirements of that clause.

(B) Contracting officers shall consider an offeror's failure to make a good faith effort to comply with its comprehensive subcontracting plan under the Test Program described at [219.702-70](#) as part of the evaluation of the past performance.

215.306 Exchanges with offerors after receipt of proposals.

(c) *Competitive range.*

(1) For acquisitions with an estimated value of \$100 million or more, contracting officers should conduct discussions. Follow the procedures at FAR 15.306 (c) and (d).

215.370 Evaluation factor for employing or subcontracting with members of the Selected Reserve.

215.370-1 Definition.

“Selected Reserve,” as used in this section, is defined in the provision at [252.215-7005](#), Evaluation Factor for Employing or Subcontracting with Members of the Selected Reserve.

215.370-2 Evaluation factor.

In accordance with Section 819 of the National Defense Authorization Act for Fiscal Year 2006 (Pub. L. 109-163), the contracting officer may use an evaluation factor that considers whether an offeror intends to perform the contract using employees or individual subcontractors who are members of the Selected Reserve. See PGI [215.370-2](#) for guidance on use of this evaluation factor.

215.370-3 Solicitation provision and contract clause.

(a) Use the provision at [252.215-7005](#), Evaluation Factor for Employing or Subcontracting with Members of the Selected Reserve, in solicitations that include an evaluation factor considering whether an offeror intends to perform the contract using employees or individual subcontractors who are members of the Selected Reserve.

(b) Use the clause at [252.215-7006](#), Use of Employees or Individual Subcontractors Who are Members of the Selected Reserve, in solicitations that include the provision at [252.215-7005](#). Include the clause in the resultant contract only if the contractor stated in its proposal that it intends to perform the contract using employees or individual subcontractors who are members of the Selected Reserve, and that statement was used as an evaluation factor in the award decision.

215.371 Only one offer.

215.371-1 Policy.

It is DoD policy, if only one offer is received in response to a competitive solicitation—

(a) To take the required actions to promote competition (see [215.371-2](#)); and

(b) To ensure that the price is fair and reasonable (see [215.371-3](#)) and to comply with the statutory requirement for certified cost or pricing data (see FAR 15.403-4).

215.371-2 Promote competition.

Except as provided in sections [215.371-4](#) and [215.371-5](#)—

(a) If only one offer is received when competitive procedures were used and the solicitation allowed fewer than 30 days for receipt of proposals, the contracting officer shall—

(1) Consult with the requiring activity as to whether the requirements document should be revised in order to promote more competition (see FAR 6.502(b) and 11.002); and

(2) Resolicit, allowing an additional period of at least 30 days for receipt of proposals; and

(b) For competitive solicitations in which more than one potential offeror expressed an interest in an acquisition, but only one offer was ultimately received, follow the procedures at [PGI 215.371-2](#).

215.371-3 Fair and reasonable price.

(a) If there was “reasonable expectation... that ...two or more offerors, competing independently, would submit priced offers” but only one offer is received, this circumstance does not constitute adequate price competition unless an official at a level above the contracting officer approves the determination that the price is reasonable (see FAR 15.403-1(c)(1)(ii)).

(b) Except as provided in section [215.371-4](#)(a), if only one offer is received when competitive procedures were used and the solicitation allowed at least 30 days for

receipt of proposals (unless the 30-day requirement is not applicable in accordance with [215.371-4\(a\)\(3\)](#) or has been waived in accordance with section [215.371-5](#)), the contracting officer shall—

(1) Determine through cost or price analysis that the offered price is fair and reasonable and that adequate price competition exists (with approval of the determination at a level above the contracting officer) or another exception to the requirement for certified cost or pricing data applies (see FAR 15.403-1(c) and 15.403-4). In these circumstances, no further cost or pricing data is required; or

(2)(i) Obtain from the offeror cost or pricing data necessary to determine a fair and reasonable price and comply with the requirement for certified cost or pricing data at FAR 15.403-4. For acquisitions that exceed the cost or pricing data threshold, if no exception at FAR 15.403-1(b) applies, the cost or pricing data shall be certified; and

(ii) Enter into negotiations with the offeror as necessary to establish a fair and reasonable price. The negotiated price should not exceed the offered price.

215.371-4 Exceptions.

(a) The requirements at sections [215.371-2](#) do not apply to—

(1) Acquisitions at or below the simplified acquisition threshold;

(2) Acquisitions in support of contingency, humanitarian or peacekeeping operations, or to facilitate defense against or recovery from nuclear, biological, chemical, or radiological attack;

(3) Small business set-asides under FAR subpart 19.5, set asides offered and accepted into the 8(a) Program under FAR subpart 19.8, or set-asides under the HUBZone Program (see FAR 19.1305(c)), the Service-Disabled Veteran-Owned Small Business Procurement Program (see FAR 19.1405(c)), or the Women-Owned Small Business Program (see FAR 19.1505(d));

(4) Acquisitions of basic or applied research or development, as specified in FAR 35.016(a), that use a broad agency announcement; or

(5) Acquisitions of architect-engineer services (see FAR 36.601-2).

(b) The applicability of an exception in paragraph (a) of this section does not eliminate the need for the contracting officer to seek maximum practicable competition and to ensure that the price is fair and reasonable.

215.371-5 Waiver.

(a) The head of the contracting activity is authorized to waive the requirement at [215.371-2](#) to resolicit for an additional period of at least 30 days.

(b) This waiver authority cannot be delegated below one level above the contracting officer.

(a) To comply with section 898 of the National Defense Authorization Act for Fiscal Year 2016 (Pub. L. 114-92), when acquiring religious-related services to be performed on a United States military installation—

(1) Do not preclude a nonprofit organization from competing, even when the acquisition is set aside for small businesses as identified in FAR 19.000(a)(3); and

SUBPART 219.7—THE SMALL BUSINESS SUBCONTRACTING PROGRAM
(Revised April 13, 2018)

219.702-70 Statutory requirements for the Test Program for Negotiation of Comprehensive Small Business Subcontracting Plans.

(a) *Test Program.* In accordance with 15 U.S.C. 637 note, DoD has established a test program to determine whether comprehensive subcontracting plans on a corporate, division, or plant-wide basis will reduce administrative burdens while enhancing subcontracting opportunities for small and small disadvantaged business concerns. This program is referred to as the Test Program for Negotiation of Comprehensive Small Business Subcontracting Plans (Test Program).

(b) *Eligibility requirements.* To become and remain eligible to participate in the Test Program, a business concern is required to have furnished supplies or services (including construction) under at least three DoD contracts during the preceding fiscal year, having an aggregate value of at least \$100 million.

(c) *Comprehensive subcontracting plans.*

(1) The Defense Contract Management Agency will designate the contracting officer who shall negotiate and approve comprehensive subcontracting plans with eligible participants on an annual basis.

(2) Test Program participants use their comprehensive subcontracting plans, in lieu of individual subcontracting plans, when performing any DoD contract or subcontract that requires a subcontracting plan.

(d) *Assessment.* The contracting officer designated to manage the comprehensive subcontracting plan shall conduct a compliance review during the fiscal year after the close of the fiscal year for which the plan is applicable. The contracting officer shall compare the approved percentage or dollar goals to the total, actual subcontracting dollars covered by the comprehensive subcontracting plan.

(1) If the contractor has failed to meet its approved subcontracting goal(s), the contracting officer shall give the contractor written notice specifying the failure, advising of the potential for assessment of liquidated damages, permitting the contractor to demonstrate what good faith efforts have been made, and providing a period of 15 working days (or longer period at the contracting officer's discretion) within which to respond. The contracting officer may take the contractor's failure to respond to the notice as an admission that no valid explanation exists.

(2) The contracting officer shall review all available information to determine whether the contractor has failed to make a good faith effort to comply with the plan.

(3) If, after consideration of all relevant information, the contracting officer determines that the contractor failed to make a good faith effort to comply with the comprehensive subcontracting plan, the contracting officer shall issue a final decision. The contracting officer's final decision shall include the right of the contractor to appeal under the Disputes clause. The contracting officer shall distribute a copy of the final decision to all cognizant contracting officers for the contracts covered under the plan.

(e) *Liquidated damages.* The amount of liquidated damages shall be the amount of anticipated damages sustained by the Government, including but not limited to additional expenses of administration, reporting, and contract monitoring, and shall be identified in the comprehensive subcontracting plan. Liquidated damages shall be in addition to any other remedies the Government may have.

(f) *Expiration date.* The Test Program expires on December 31, 2027.

219.703 Eligibility requirements for participating in the program.

(a) Qualified nonprofit agencies for the blind and other severely disabled, that have been approved by the Committee for Purchase from People Who Are Blind or Severely Disabled under 41 U.S.C. chapter 85, are eligible to participate in the program as a result of 10 U.S.C. 2410d and section 9077 of Pub. L. 102-396 and similar sections in subsequent Defense appropriations acts. Under this authority, subcontracts awarded to such entities may be counted toward the prime contractor's small business subcontracting goal.

(b) A contractor may also rely on the written representation as to status of—

(i) A historically black college or university or minority institution; or

(ii) A qualified nonprofit agency for the blind or other severely disabled approved by the Committee for Purchase from People Who Are Blind or Severely Disabled.

219.704 Subcontracting plan requirements.

(1) In those subcontracting plans which specifically identify small businesses, prime contractors shall notify the administrative contracting officer of any substitutions of firms that are not small business firms, for the small business firms specifically identified in the subcontracting plan. Notifications shall be in writing and shall occur within a reasonable period of time after award of the subcontract. Contractor-specified formats shall be acceptable.

(2) See [215.304](#) for evaluation of offers in acquisitions that require a subcontracting plan.

219.705 Responsibilities of the contracting officer under the subcontracting assistance program.

219.705-4 Reviewing the subcontracting plan.

(d)(i) Challenge any subcontracting plan that does not contain positive goals. A small disadvantaged business goal of less than five percent must be approved one level above the contracting officer.

(ii) The contracting officer may use the checklist at [PGI 219.705-4](#) when reviewing subcontracting plans in accordance with FAR 19.705-4.

219.705-6 Postaward responsibilities of the contracting officer.

(f) See [PGI 219.705-6\(f\)](#) for guidance on reviewing subcontracting reports.

219.706 Responsibilities of the cognizant administrative contracting officer.

(a)(i) The contract administration office also is responsible for reviewing, evaluating, and approving master subcontracting plans.

(ii) The small business specialist supports the administrative contracting officer in evaluating a contractor's performance and compliance with its subcontracting plan.

219.708 Contract clauses.

(b)(1)(A) Use the basic or alternate clause at [252.219-7003](#), Small Business Subcontracting Plan (DoD Contracts), in solicitations and contracts, including solicitations and contracts using FAR part 12 procedures for the acquisition of commercial items, that contain the clause at FAR 52.219-9, Small Business Subcontracting Plan.

(1) Use the basic clause at [252.219-7003](#), when using the basic, alternate I, or alternate II of FAR 52.219-9.

(2) Use the alternate I clause at [252.219-7003](#), when using Alternate III of FAR 52.219-9.

(B) In contracts with contractors that have comprehensive subcontracting plans approved under the Test Program described in [219.702-70](#), including contracts using FAR part 12 procedures for the acquisition of commercial items, use the clause at [252.219-7004](#), Small Business Subcontracting Plan (Test Program), instead of the clauses at [252.219-7003](#), Small Business Subcontracting Plan (DoD Contracts), FAR 52.219-9, Small Business Subcontracting Plan, and FAR 52.219-16, Liquidated Damages—Subcontracting Plan.

(2) In contracts with contractors that have comprehensive subcontracting plans approved under the Test Program described in [219.702-70](#), do not use the clause at FAR 52.219-16, Liquidated Damages—Subcontracting Plan.

(c)(1) Do not use the clause at FAR 52.219-10, Incentive Subcontracting Program, in contracts with contractors that have comprehensive subcontracting plans approved under the Test Program described in [219.702-70](#).

See DoD [Class Deviation 2018-O0007](#), Small Business Subcontract Reporting, issued December 13, 2017. Use this class deviation in lieu of FAR 52.219-9, Alternate IV, and DFARS 252.219-7003. The purpose of this class deviation is to (1) require submission of the Standard Form (SF) 294 in lieu of Individual Subcontract Reports (ISRs) in the Electronic Subcontracting Reporting System (eSRS) for orders against basic ordering agreements and blanket purchase agreements, and (2) change the entity to which the contractor submits the SSR from the DoD department or agency to DoD. This deviation is effective until incorporated in the DFARS or otherwise rescinded.

225.7702-1 Acquisition of small arms.

Part 225—Foreign Acquisition

(a) Except as provided in paragraph (b) of this section, when acquiring small arms for assistance to the Army of Afghanistan, the Afghani Police Forces, or other Afghani security organizations—

(1) Use full and open competition to the maximum extent practicable, consistent with the provisions of 10 U.S.C. 2304;

(2) If use of other than full and open competition is justified in accordance with FAR Subpart 6.3, ensure that—

(i) No responsible U.S. manufacturer is excluded from competing for the acquisition; and

(ii) Products manufactured in the United States are not excluded from the competition; and

(3) If the exception at FAR 6.302-2 (unusual and compelling urgency) applies, do not exclude responsible U.S. manufacturers or products manufactured in the United States from the competition for the purpose of administrative expediency. However, such an offer may be rejected if it does not meet delivery schedule requirements.

(b) Paragraph (a)(2) of this section does not apply when—

(1) The exception at FAR 6.302-1 (only one or a limited number of responsible sources) applies, and the only responsible source or sources are not U.S. manufacturers or are not offering products manufactured in the United States; or

(2) The exception at FAR 6.302-4 (international agreement) applies, and United States manufacturers or products manufactured in the United States are not the source(s) specified in the written directions of the foreign government reimbursing the agency for the cost of the acquisition of the property or services for such government.

(a) Subject to the requirements of [225.7703-2](#), except as provided in [225.7702](#), a product or service (including construction), in support of operations in Afghanistan, may be acquired by—

(1) Providing a preference for products or services from Afghanistan in accordance with the evaluation procedures at [225.7703-3](#);

(2) Limiting competition to products or services from Afghanistan; or

Defense Federal Acquisition Regulation Supplement

Part 225—Foreign Acquisition

(3) Using procedures other than competitive procedures to award a contract to a particular source or sources from Afghanistan. When other than competitive procedures are used, the contracting officer shall document the contract file with the rationale for selecting the particular source(s).

(b) For acquisitions conducted using a procedure specified in paragraph (a) of this subsection, the justification and approval addressed in FAR Subpart 6.3 is not required.

(c) When issuing solicitations and contracts for performance in Afghanistan, follow the procedures at [PGI 225.7703-1\(c\)](#).

225.7703-2 Determination requirements.

Before use of a procedure specified in [225.7703-1\(a\)](#), a written determination must be prepared and executed as follows:

(a) For products or services to be used only by the military forces, police, or other security personnel of Afghanistan, the contracting officer shall—

(2) Include the written determination in the contract file.

(b) For products or services not limited to use by the military forces, police, or other security personnel of Afghanistan, the following requirements apply:

(1) The appropriate official specified in paragraph (b)(2) of this subsection must determine in writing that it is in the national security interest of the United States to use a procedure specified in [225.7703-1\(a\)](#), because—

(i) The procedure is necessary to provide a stable source of jobs in Afghanistan; and

(ii) Use of the procedure will not adversely affect—

(A) Operations in Afghanistan (including security, transition, reconstruction, and humanitarian relief activities); or

(B) The U.S. industrial base. The authorizing official generally may presume that there will not be an adverse effect on the U.S. industrial base. However, when in doubt, the authorizing official should coordinate with the applicable subject matter expert specified in [PGI 225.7703-2\(b\)](#).

(2) Determinations may be made for an individual acquisition or a class of acquisitions meeting the criteria in paragraph (b)(1) of this subsection as follows:

(b) If there are no offers of a product or service from Afghanistan, award on the low offer.

(c) Otherwise, apply the evaluation factor specified in the solicitation to the low offer.

(1) If the price of the low offer of a product or service from Afghanistan is less than the evaluated price of the low offer, award on the low offer of a product or service from Afghanistan.

(2) If the evaluated price of the low offer remains less than the low offer of a product or service from Afghanistan, award on the low offer.

225.7703-4 Solicitation provisions and contract clauses.

(a) Use the provision at [252.225-7023](#), Preference for Products or Services from Afghanistan, in solicitations, including solicitations using FAR part 12 procedures for the acquisition of commercial items, that provide a preference for products or services from Afghanistan in accordance with [225.7703-1\(a\)\(1\)](#). (e) When the Trade Agreements Act applies to the acquisition, use the appropriate clause and provision as prescribed at [225.1101](#) (5), and (6).

(f) Do not use any of the following provisions or clauses in solicitations or contracts that include the provision at [252.225-7023](#), the clause at [252.225-7024](#), or the clause at [252.225-7026](#):

225.7704-2 Applicability of Balance of Payments Program.

The Deputy Secretary of Defense has determined, because of importance to national security, that it would be inconsistent with the public interest to apply the provisions of the Balance of Payments Program (see subpart [225.75](#)) to offers of end products other than arms, ammunition, and war materials (i.e., end products listed in [225.401-70](#)) and construction materials from the SC/CASA states that are being acquired by or on behalf of DoD in direct support of operations in Afghanistan.

In limited circumstances, this prohibition may be waived in accordance with section [225.7705-2](#).

225.7705-2 Waiver of prohibition.

(a) The prohibition in [225.7705-1](#) may be waived upon issuance of a determination, approved in accordance with paragraph (b) of this section, that—

(a) The contracting officer shall not obligate or expend funds for contracts for a construction or other infrastructure program or project in Afghanistan, awarded after December 23, 2016, unless the requiring activity provides the following documentation:

(1) Written affirmation that military or civilian personnel of the United States Government or their representatives, with authority to conduct oversight of such program or project, can safely access such program or project; or

(2)(i) For programs or projects valued at less than \$1 million, sufficient information upon which to base the determination described in [225.7705-2\(a\)](#); or

Part 237—Service Contracting

(b) The Contractor shall not establish any tuition or fees which apply solely to students under this agreement.

(c) If the Contractor regularly charges higher tuition and fees for nonresident students, the Contractor may charge the Government the normal nonresident tuition and fees for students under this agreement who are nonresidents. The Government shall not claim resident tuition and fees for any student solely on the basis of the student residing in the State as a consequence of enrollment under this agreement.

(d) The Contractor shall charge the Government only the tuition and fees which relate directly to enrollment as a student. Tuition and fees may include—

(i) Penalty fees for late registration or change of course caused by the Government;

(ii) Mandatory health fees and health insurance charges; and

(iii) Any flat rate charge applicable to all students registered for research that appears in the Contractor's publicly announced fee schedule.

(e) The Contractor shall not charge the Government for—

(i) Permit charges, such as vehicle registration or parking fees, unless specifically authorized in the request for service; and

(ii) Any equipment, refundable deposits, or any items or services (such as computer time) related to student research.

(f) Normally, the Contractor shall not directly charge individual students for application fees or any other fee chargeable to this agreement. However, if the Contractor's standard procedures require payment of any fee before the student is enrolled under this agreement, the Contractor may charge the student. When the Contractor receives payment from the Government, the Contractor shall fully reimburse the student.

(g) For each term the Contractor enrolls students under this agreement, the Contractor shall submit _____ copies of an invoice listing charges for each student separately. The Contractor shall submit invoices within _____ days after the start of the term and shall include—

(i) Agreement number and inclusive dates of the term;

(ii) Name of each student;

(iii) A list showing each course for each student if the school charges by credit hour;

Part 237—Service Contracting

(iv) The resident or nonresident status of each student (if applicable to the Contractor's school); and

(v) A breakdown of charges for each student, including credit hours, tuition, application fee, and other fees. Provide a total for each student and a grand total for all students listed on the invoice.

(h) If unforeseen events require additional charges that are otherwise payable under the Contractor's normal tuition and fee schedule, the Contractor may submit a supplemental invoice or make the adjustment on the next regular invoice under this agreement. The Contractor shall clearly identify and explain the supplemental invoice or the adjustment.

(i) The Contractor shall apply any credits resulting from withdrawal of students, or from any other cause under its standard procedures, to subsequent invoices submitted under this agreement. Credits should appear on the first invoice submitted after the action resulting in the credits. If no subsequent invoice is submitted, the Contractor shall deliver to the Contracting Officer a check drawn to the order of the office designated for contract administration. The Contractor shall identify the reason for the credit and the applicable term dates in all cases.

4. *Withdrawal of students.*

(a) The Government may, at its option and at any time, withdraw financial support for any student by issuing official orders. The Government will furnish _____ copies of the orders to the Contractor within a reasonable time after publication.

(b) The Contractor may request withdrawal by the Government of any student for academic or disciplinary reasons.

(c) If withdrawal occurs before the end of a term, the Government will pay any tuition and fees due for the current term. The Contractor shall credit the Government with any charges eligible for refund under the Contractor's standard procedures for any students in effect on the date of withdrawal.

(d) Withdrawal of students by the Government will not be the basis for any special charge or claim by the Contractor other than charges under the Contractor's standard procedures.

5. *Transcripts.* Within a reasonable time after withdrawal of a student for any reason, or after graduation, the Contractor shall send to the Contracting Officer (or to an address supplied by the Contracting Officer) one copy of an official transcript showing all work by the student at the institution until such withdrawal or graduation.

6. *Student teaching.* The Government does not anticipate the Contractor awarding fellowships and assistantships to students attending school under this agreement. However, for graduate students, should both the student and the Contractor decide it to be in the student's best interests to assist in the institution's teaching program, the Contractor may provide nominal compensation for part-time service. Base the compensation on the Contractor's practices and procedures for other students of similar accomplishment in that department or field. The Contractor shall apply the

compensation as a credit against any invoices presented for payment for any period in which the student performed the part-time teaching service.

7. *Termination of agreement.*

(a) Either party may terminate this agreement by giving 30 days advance written notice of the effective date of termination. In the event of termination, the Government shall have the right, at its option, to continue to receive educational services for those students already enrolled in the contractor's institution under this agreement until such time that the students complete their courses or curricula or the Government withdraws them from the Contractor's institution. The terms and conditions of this agreement in effect on the effective date of the termination shall continue to apply to such students remaining in the Contractor's institution.

(b) Withdrawal of students under Schedule provision 4 shall not be considered a termination within the meaning of this provision 7.

(c) Termination by either party shall not be the basis for any special charge or claim by the Contractor, other than as provided by the Contractor's standard procedures.

**SUBPART 239.73—REQUIREMENTS FOR INFORMATION RELATING TO
SUPPLY CHAIN RISK**

(Revised April 13, 2018)

239.7300 Scope of subpart.

(a) This subpart implements section 806 of the National Defense Authorization Act for Fiscal Year 2011 (Pub. L. 111-383) and elements of DoD Instruction 5200.44, Protection of Mission Critical Functions to Achieve Trusted Systems and Networks (TSN), at (<http://www.dtic.mil/whs/directives/corres/pdf/520044p.pdf>).

(b) The authority provided in this subpart expires on September 30, 2018 (see section 806(a) of Pub. L. 112-239).

239.7301 Definitions.

As used in this subpart—

“Covered item of supply” means an item of information technology that is purchased for inclusion in a covered system, and the loss of integrity of which could result in a supply chain risk for a covered system (see section 806(e)(6) of Pub. L. 111-383).

“Covered system” means a national security system, as that term is defined at 44 U.S.C. 3542(b) (see section 806(e)(5) of Pub. L. 111-383). It is any information system, including any telecommunications system, used or operated by an agency or by a contractor of an agency, or other organization on behalf of an agency—

(1) The function, operation, or use of which—

(i) Involves intelligence activities;

(ii) Involves cryptologic activities related to national security;

(iii) Involves command and control of military forces;

(iv) Involves equipment that is an integral part of a weapon or weapons system; or

(v) Is critical to the direct fulfillment of military or intelligence missions, but this does not include a system that is to be used for routine administrative and business applications, including payroll, finance, logistics, and personnel management applications; or

(2) Is protected at all times by procedures established for information that have been specifically authorized under criteria established by an Executive order or an Act of Congress to be kept classified in the interest of national defense or foreign policy.

“Information technology” (see 40 U.S.C 11101(6)) means, in lieu of the definition at FAR 2.1, any equipment, or interconnected system(s) or subsystem(s) of equipment, that is used in the automatic acquisition, storage, analysis, evaluation, manipulation,

Defense Federal Acquisition Regulation Supplement

Part 239—Acquisition of Information Technology

management, movement, control, display, switching, interchange, transmission, or reception of data or information by the agency.

(1) For purposes of this definition, equipment is used by an agency if the equipment is used by the agency directly or is used by a contractor under a contract with the agency that requires—

- (i) Its use; or
- (ii) To a significant extent, its use in the performance of a service or the furnishing of a product.

(2) The term “information technology” includes computers, ancillary equipment (including imaging peripherals, input, output, and storage devices necessary for security and surveillance), peripheral equipment designed to be controlled by the central processing unit of a computer, software, firmware and similar procedures, services (including support services), and related resources.

(3) The term “information technology” does not include any equipment acquired by a contractor incidental to a contract.

“Supply chain risk” means the risk that an adversary may sabotage, maliciously introduce unwanted function, or otherwise subvert the design, integrity, manufacturing, production, distribution, installation, operation, or maintenance of a national security system (as that term is defined at 44 U.S.C. 3542(b)) so as to surveil, deny, disrupt, or otherwise degrade the function, use, or operation of such system.

239.7302 Applicability.

Notwithstanding FAR 39.001, this subpart shall be applied to acquisition of information technology for national security systems, as that term is defined at 44 U.S.C. 3542(b), for procurements involving—

- (a) A source selection for a covered system or a covered item of supply involving either a performance specification (see 10 U.S.C. 2305(a)(1)(C)(ii)), or an evaluation factor (see 10 U.S.C. 2305(a)(2)(A)), relating to supply chain risk;
- (b) The consideration of proposals for and issuance of a task or delivery order for a covered system or a covered item of supply where the task or delivery order contract concerned includes a requirement relating to supply chain risk (see 10 U.S.C. 2304c(d)(3) and FAR 16.505(b)(1)(iv)(D)); or
- (c) Any contract action involving a contract for a covered system or a covered item of supply where such contract includes a requirement relating to supply chain risk.

239.7303 Authorized individuals.

(a) Subject to [239.7304](#), the following individuals are authorized to take the actions authorized by [239.7305](#):

(b) Making a determination in writing, in unclassified or classified form, with the concurrence of the Under Secretary of Defense for Acquisition, Technology, and Logistics, that—

(1) Use of the authority in [239.7305](#)(a),(b), or (c) is necessary to protect national security by reducing supply chain risk;

(2) Less intrusive measures are not reasonably available to reduce such supply chain risk; and

(3) In a case where the individual authorized in [239.7303](#) plans to limit disclosure of information under [239.7305](#)(d), the risk to national security due to the disclosure of such information outweighs the risk due to not disclosing such information; and

(c)(1) Providing a classified or unclassified notice of the determination made under paragraph (b) of this section—

(i) In the case of a covered system included in the National Intelligence Program or the Military Intelligence Program, to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the congressional defense committees; and

(C) A determination that the anticipated cost will be fair and reasonable.

(D) A description of the market survey conducted or a statement of the reasons a market survey was not conducted.

(E) A listing of the sources, if any, that expressed in writing an interest in the procurement.

(F) A statement of the actions, if any, the agency may take to remove or overcome any barrier to competition before a subsequent procurement for such needs;

(ii) The joint recommendation by the Under Secretary of Defense for Acquisition, Technology, and Logistics and the Chief Information Officer of the Department of Defense as specified in paragraph (a) of this section;

(iii) A summary of the risk assessment by the Under Secretary of Defense for Intelligence that serves as the basis for the joint recommendation specified in paragraph (a) of this section; and

(iv) A summary of the basis for the determination, including a discussion of less intrusive measures that were considered and why they were not reasonably available to reduce supply chain risk.

239.7305 Exclusion and limitation on disclosure.

Subject to [239.7304](#), the individuals authorized in [239.7303](#) may, in the course of procuring information technology, whether as a service or as a supply, that is a covered system, is a part of a covered system, or is in support of a covered system—

(a) Exclude a source that fails to meet qualification standards established in accordance with the requirements of 10 U.S.C. 2319, for the purpose of reducing supply chain risk in the acquisition of covered systems;

(b) Exclude a source that fails to achieve an acceptable rating with regard to an evaluation factor providing for the consideration of supply chain risk in the

242.1502 Policy.

(g) Past performance evaluations in the Contractor Performance Assessment Reporting System shall include an assessment of the contractor's performance against, and efforts to achieve, the goals identified in its comprehensive small business subcontracting plan when the contract contains the clause at [252.219-7004](#), Small Business Subcontracting Plan (Test Program).

The class deviation also encourages contracting officers to manually register and complete assessment reports on science and technology contracts and delivery/task orders under budget accounts 6.1, 6.2, and 6.3 over \$1,000,000. (Revised April 13, 2018)

252.219-7000 Advancing Small Business Growth.

As prescribed in [219.309](#)(1), use the following provision:

ADVANCING SMALL BUSINESS GROWTH (SEP 2016)

(a) This provision implements 10 U.S.C. 2419.

(b) The Offeror acknowledges by submission of its offer that by acceptance of the contract resulting from this solicitation, the Offeror may exceed the applicable small business size standard of the North American Industry Classification System (NAICS) code assigned to the contract and would no longer qualify as a small business concern for that NAICS code. (Small business size standards matched to industry NAICS codes are published by the Small Business Administration and are available at <http://www.sba.gov/content/table-small-business-size-standards>.) The Offeror is therefore encouraged to develop the capabilities and characteristics typically desired in contractors that are competitive as other-than-small contractors in this industry.

(c) For procurement technical assistance, the Offeror may contact the nearest Procurement Technical Assistance Center (PTAC). PTAC locations are available at <http://www.dla.mil/HQ/SmallBusiness/PTAC.aspx>.

“Failure to make a good faith effort to comply with a comprehensive subcontracting plan” means a willful or intentional failure to perform in accordance with the requirements of the Contractor's approved comprehensive subcontracting plan or willful or intentional action to frustrate the plan.

“Subcontract” means any agreement (other than one involving an employer-employee relationship) entered into by a Federal Government prime Contractor or subcontractor calling for supplies or services required for performance of the contract or subcontract.

(iv) Costs incurred in negotiating, complying with, and reporting on its comprehensive subcontracting plan.

(v) Costs avoided through the use of a comprehensive subcontracting plan.

(2) The Contractor shall—

(ii) Provide its contract number, its unique entity identifier, and the email address of the Contractor's official responsible for acknowledging or rejecting the ISR to all first-tier subcontractors, who will be required to submit ISRs, so they can enter this information into the eSRS when submitting their reports.

Credit cannot be taken for awards made to lower-tier subcontractors unless the Contractor or subcontractor has been designated to receive a small business or small disadvantaged business credit from a member firm of the Alaska Native Corporations or an Indian tribe. Only subcontracts involving performance in the U.S. or its outlying areas should be included in these reports.

(i) This report may be submitted on a corporate, company, or subdivision (e.g., plant or division operating as a separate profit center) basis, as negotiated in the comprehensive subcontracting plan with the Defense Contract Management Agency.

(1) To determine the need for liquidated damages, the Contracting Officer will conduct a compliance review during the fiscal year after the close of the fiscal year for which the plan is applicable. The Contracting Officer will compare the approved percentage or dollar goals to the total, actual subcontracting dollars covered by the plan.

(2) If the Contractor has failed to meet its approved subcontracting goal(s), the Contracting Officer will provide the Contractor written notice specifying the failure, advising of the potential for assessment of liquidated damages, and permitting the

Contractor to demonstrate what good faith efforts have been made. The Contracting Officer may take the Contractor's failure to respond to the notice within 15 working days (or longer period at the Contracting Officer's discretion) as an admission that no valid explanation exists.

(3) If, after consideration of all relevant information, the Contracting Officer determines that the Contractor failed to make a good faith effort to comply with the comprehensive subcontracting plan, the Contracting Officer will issue a final decision to the Contractor to that effect and require the Contractor to pay liquidated damages to the Government in the amount identified in the comprehensive subcontracting plan.

(4) The Contractor shall have the right of appeal under the clause in this contract entitled "Disputes" from any final decision of the Contracting Officer.

(g) *Subcontracts.* The Contractor shall include in subcontracts that offer subcontracting opportunities, are expected to exceed \$700,000 (\$1.5 million for construction of any public facility), and are required to include the clause at 52.219-8, Utilization of Small Business Concerns, the clauses at—
