

SUBPART 225.7—PROHIBITED SOURCES

(Revised September 29, 2021)

225.701 Restrictions.

225.701-70 Exception.

DoD personnel are authorized to make emergency acquisitions in direct support of U.S. or allied forces deployed in military contingency, humanitarian, or peacekeeping operations in a country or region subject to economic sanctions administered by the Department of the Treasury, Office of Foreign Assets Control.

225.770 Prohibition on acquisition of certain items from Communist Chinese military companies.

This section implements section 1211 of the National Defense Authorization Act for Fiscal Year 2006 (Pub. L. 109-163), section 1243 of the National Defense Authorization Act for Fiscal Year 2012 (Pub. L. 112-81), and section 1296 of the National Defense Authorization Act for Fiscal Year 2017 (Pub. L. 114-328). See [PGI 225.770](#) for additional information relating to this statute, the terms used in this section, the United States Munitions List (USML), and the 600 series of the Commerce Control List (CCL).

225.770-1 Definitions.

As used in this section—

“Component” means an item that is useful only when used in conjunction with an end item (15 CFR 772.1 and 22 CFR 120.45(b)).

“Item” means—

- (1) A USML defense article, as defined at 22 CFR 120.6;
- (2) A USML defense service, as defined at 22 CFR 120.9; or
- (3) A 600 series item, as defined at 15 CFR 772.1.

“Part” means any single unassembled element of a major or minor component, accessory, or attachment, that is not normally subject to disassembly without the destruction or impairment of designed use (15 CFR 772.1 and 22 CFR 120.45(d)).

225.770-2 Prohibition.

Do not acquire items covered by the USML or the 600 series of the CCL, through a contract or subcontract at any tier, from any Communist Chinese military company. This prohibition does not apply to components and parts of covered items unless the components and parts are themselves covered by the USML or the 600 series of the CCL.

225.770-3 Exceptions.

The prohibition in [225.770-2](#) does not apply to items acquired—

- (a) In connection with a visit to the People’s Republic of China by a vessel or an aircraft of the U.S. armed forces;

- (b) For testing purposes; or
- (c) For the purpose of gathering intelligence.

225.770-4 Identifying items covered by the USML or the 600 series of the CCL.

(a) Before issuance of a solicitation, the requiring activity will notify the contracting officer in writing whether the items to be acquired are covered by the USML or the 600 series of the CCL. The notification will identify any covered item(s) and will provide the pertinent USML reference(s) from 22 CFR part 121 or the 600 series of the CCL references from 15 CFR part 774, Supplement No. 1.

(b) The USML includes defense articles and defense services that fall into 21 categories. The CCL includes ten categories and five product groups in each category, many of which contain 600 series items. Since not all items covered by the USML or 600 series of the CCL are themselves munitions (e.g., protective personnel equipment, military training equipment), the requiring activity should consult the USML and the 600 series of the CCL before concluding that an item is or is not covered. See [PGI 225.770-4](#).

225.770-5 Waiver of prohibition.

(a) The prohibition in [225.770-2](#) may be waived, on a case-by-case basis, if an official identified in paragraph (b) of this subsection determines that a waiver is necessary for national security purposes.

(b) The following officials are authorized, without power of delegation, to make the determination specified in paragraph (a) of this subsection:

- (1) The Under Secretary of Defense (Acquisition and Sustainment).
- (2) The Secretaries of the military departments.
- (3) The Component Acquisition Executive of the Defense Logistics Agency.

(c)(1) The official granting a waiver shall submit a report to the congressional defense committees, with a copy to the Director of Defense Procurement and Acquisition Policy (see [PGI 225.770-5](#)), not less than 15 days before issuing the waiver.

(2) In the report, the official shall—

- (i) Identify the specific reasons for the waiver; and
- (ii) Include recommendations as to what actions may be taken to develop alternative sourcing capabilities in the future.

225.771 Prohibition on contracting or subcontracting with a firm that is owned or controlled by the government of a country that is a state sponsor of terrorism.

225.771-0 Scope.

This section implements 10 U.S.C. 2327(b).

- (i) The firm;
- (ii) A subsidiary of the firm; or
- (iii) Any other firm that owns or controls the firm.

(b) For restrictions on subcontracting with a firm, or a subsidiary of a firm, that is identified by the Secretary of Defense as being owned or controlled by the government of a country that is a state sponsor of terrorism, see [209.405-2](#).

225.771-3 Notification.

Any disclosure that the government of a country that is a state sponsor of terrorism has a significant interest in an offeror, a subsidiary of an offeror, or any other firm that owns or controls an offeror shall be forwarded through agency channels to the address at [PGI 225.771-3](#).

225.771-4 Waiver of prohibition.

The prohibition in [225.771-2](#) may be waived if the Secretary of Defense determines that a waiver is not inconsistent with the national security objectives of the United States in accordance with 10 U.S.C. 2327(c).

225.771-5 Solicitation provision.

Use the provision at [252.225-7050](#), Disclosure of Ownership or Control by the Government of a Country that is a State Sponsor of Terrorism, in solicitations, including solicitations using FAR part 12 procedures for the acquisition of commercial items (other than commercial satellite services), that are expected to result in contracts of \$150,000 or more. If the solicitation includes the provision at FAR 52.204-7, do not separately list the provision [252.225-7050](#) in the solicitation.

In accordance with 10 U.S.C. 2533b(m)(4), the term “required form” in this clause refers to the form of the mill product, such as bar, billet, wire, slab, plate, or sheet, in the grade appropriate for the production of a finished end item to be delivered to the Government under this contract; or a finished component assembled into an end item to be delivered to the Government under this contract.

(6) End items containing a minimal amount of otherwise noncompliant specialty metals (i.e., specialty metals not melted or produced in the United States, an outlying area, or a qualifying country, that are not covered by one of the other exceptions in this paragraph (c)), if the total weight of such noncompliant metals does not exceed 2 percent of the total weight of all specialty metals in the end item, as estimated in good faith by the Contractor. This exception does not apply to high performance magnets containing specialty metals.

(d) *Compliance for commercial derivative military articles.*

(1) As an alternative to the compliance required in paragraph (b) of this clause, the Contractor may purchase an amount of domestically melted or produced specialty metals in the required form, for use during the period of contract performance in the production of the commercial derivative military article and the related commercial article, if—

(B) An amount equivalent to 50 percent of the amount of specialty metal that will be purchased by the Contractor and its subcontractors for use during such period in the production of the commercial derivative military article and the related commercial article.

(2) For the purposes of this alternative, the amount of specialty metal that is required to carry out production of the commercial derivative military article includes specialty metal contained in any item, including COTS items.

(e) *Subcontracts.*

(1) The Contractor shall exclude and reserve paragraph (d) and this paragraph (e)(1) when flowing down this clause to subcontracts.

(2) The Contractor shall insert paragraphs (a) through (c) and this paragraph (e)(2) of this clause in subcontracts, including subcontracts for commercial items, that are for items containing specialty metals to ensure compliance of the end products that the Contractor will deliver to the Government. When inserting this clause in subcontracts, the Contractor shall—

(i) Modify paragraph (c)(6) of this clause only as necessary to facilitate management of the minimal content exception at the prime contract level. The minimal content exception does not apply to specialty metals contained in high-performance magnets; and

third-country national employees not normally residing within the operational area whose area of performance is in the direct vicinity of U.S. Armed Forces and who routinely are collocated with the U.S. Armed Forces (especially in non-permissive environments). Personnel collocated with U.S. Armed Forces shall be afforded CAAF status through a letter of authorization. In some cases, Combatant Commander subordinate commanders may designate mission-essential host nation or local national contractor employees (e.g., interpreters) as CAAF. CAAF includes contractors previously identified as contractors deploying with the U.S. Armed Forces. CAAF status does not apply to contractor personnel in support of applicable operations within the boundaries and territories of the United States.

“Designated operational area” means a geographic area designated by the combatant commander or subordinate joint force commander for the conduct or support of specified military operations.

“Designated reception site” means the designated place for the reception, staging, integration, and onward movement of contractors deploying during a contingency. The designated reception site includes assigned joint reception centers and other Service or private reception sites.

“Law of war” means that part of international law that regulates the conduct of armed hostilities. The law of war encompasses all international law for the conduct of hostilities binding on the United States or its individual citizens, including treaties and international agreements to which the United States is a party, and applicable customary international law.

“Non-CAAF” means personnel who are not designated as CAAF, such as local national (LN) employees and non-LN employees who are permanent residents in the operational area or third-country nationals not routinely residing with U.S. Armed Forces (and third-country national expatriates who are permanent residents in the operational area) who perform support functions away from the close proximity of, and do not reside with, U.S. Armed Forces. Government-furnished support to non-CAAF is typically limited to force protection, emergency medical care, and basic human needs (e.g., bottled water, latrine facilities, security, and food when necessary) when performing their jobs in the direct vicinity of U.S. Armed Forces. Non-CAAF status does not apply to contractor personnel in support of applicable operations within the boundaries and territories of the United States.

“Subordinate joint force commander” means a sub-unified commander or joint task force commander.

(b) *General.*

(1) This clause applies to both CAAF and non-CAAF when performing in a designated operational area outside the United States to support U.S. Armed Forces deployed outside the United States in—

- (iii) Other military operations or military exercises, when designated by the

Defense Federal Acquisition Regulation Supplement

Part 252—Solicitation Provisions and Contract Clauses

Combatant Commander or as directed by the Secretary of Defense.

(2) Contract performance in support of U.S. Armed Forces deployed outside the United States may require work in dangerous or austere conditions. Except as otherwise provided in the contract, the Contractor accepts the risks associated with required contract performance in such operations.

(3) When authorized in accordance with paragraph (j) of this clause to carry arms for personal protection, Contractor personnel are only authorized to use force for individual self-defense.

(4) Unless immune from host nation jurisdiction by virtue of an international agreement or international law, inappropriate use of force by contractor personnel supporting the U.S. Armed Forces can subject such personnel to United States or host nation prosecution and civil liability (see paragraphs (d) and (j)(3) of this clause).

(5) Service performed by Contractor personnel subject to this clause is not active duty or service under 38 U.S.C. 106 note.

(c) *Support.*

(1)(i) The Combatant Commander will develop a security plan for protection of Contractor personnel in locations where there is not sufficient or legitimate civil authority, when the Combatant Commander decides it is in the interests of the Government to provide security because—

- (A) The Contractor cannot obtain effective security services;
- (B) Effective security services are unavailable at a reasonable cost; or
- (C) Threat conditions necessitate security through military means.

(ii) In appropriate cases, the Combatant Commander may provide security through military means, commensurate with the level of security provided DoD civilians.

(2)(i) Generally, CAAF will be afforded emergency medical and dental care if injured while supporting applicable operations. Additionally, non-CAAF employees who are injured while in the vicinity of U. S. Armed Forces will normally receive emergency medical and dental care. Emergency medical and dental care includes medical care situations in which life, limb, or eyesight is jeopardized. Examples of emergency medical and dental care include examination and initial treatment of victims of sexual assault; refills of prescriptions for life-dependent drugs; repair of broken bones, lacerations, infections; and traumatic injuries to the dentition. Hospitalization will be limited to stabilization and short-term medical treatment with an emphasis on return to duty or placement in the patient movement system.

(ii) When the Government provides medical treatment or transportation of Contractor personnel to a selected civilian facility, the Contractor shall ensure that the Government is reimbursed for any costs associated with such treatment or transportation.

Defense Federal Acquisition Regulation Supplement

Part 252—Solicitation Provisions and Contract Clauses

(iii) Medical or dental care beyond this standard is not authorized.

The letter of authorization also will identify any additional authorizations, privileges, or Government support that Contractor personnel are entitled to under this contract. Contractor personnel who are issued a letter of authorization shall carry it with them at all times while deployed.

(4) Unless specified elsewhere in this contract, the Contractor is responsible for all other support required for its personnel engaged in the designated operational area under this contract.

(d) *Compliance with laws and regulations.*

(1) The Contractor shall comply with, and shall ensure that its personnel supporting U.S. Armed Forces deployed outside the United States as specified in paragraph (b)(1) of this clause are familiar with and comply with, all applicable—

(2) The Contractor shall institute and implement an effective program to prevent violations of the law of war by its employees and subcontractors, including law of war training in accordance with paragraph (e)(1)(vii) of this clause.

(3) The Contractor shall ensure that CAAF and non-CAAF are aware—

(i) Of the DoD definition of “sexual assault” in DoD Directive 6495.01, Sexual Assault Prevention and Response Program;

(ii) That the offenses addressed by the definition are covered under the Uniform Code of Military Justice (see paragraph (e)(2)(iv) of this clause). Other sexual misconduct may constitute offenses under the Uniform Code of Military Justice, Federal law, such as the Military Extraterritorial Jurisdiction Act, or host nation laws; and

(iii) That the offenses not covered by the Uniform Code of Military Justice may nevertheless have consequences to the contractor employees (see paragraph (h)(1) of this clause).
