Section 874 amends 10 U.S.C. 2375 to address the relationship of commercial item provisions to other provisions of law and regulation. The DFARS will include lists of defense-unique statutes, and Governmentwide contract clause requirements not expressly authorized by statute that are not applicable to contracts or subcontracts for the acquisition of commercial items or contracts for the acquisition of commercially available off-the-shelf items. To the maximum extent practicable, the DFARS will limit the flowdown of contracts clauses to subcontracts under contracts for the procurement of commercial items unless required by law or Executive order.	03/14/2018 DARC agreed to draft proposed DFARS rule. Case manager processing.
