### PGI 204.8—CONTRACT FILES

#### PGI 204.804 Closeout of contract files.

Data supporting contract closeout (e.g., DD Form 1594, Contract Completion Statement) are electronically transmitted throughout DoD. The Defense Logistics Manual, 4000.25 Volume 7, Contract Administration, Chapter 4, Contract Completion Status Reporting, available at [http://www.dla.mil/j-6/dlmsso/elibrary/manuals/dlm/dlm\\_pubs.asp](http://www.dla.mil/j-6/dlmsso/elibrary/manuals/dlm/dlm_pubs.asp), contains detailed instructions regarding closeout and electronic data transmission.

(1) The administration office closeout date for file purposes will be the date in Block 9d of the DD Form 1594 or agency equivalent.

(2) If the contracting office must do a major closeout action that will take longer than 3 months after the date shown in Block 9d of the DD Form 1594—

(i) The purchasing office closeout date for file purposes will be the date in Block 10e of the DD Form 1594 or agency equivalent; and

(ii) The contracting office shall notify the contract administration office of the revised closeout date by either sending a copy of the completed DD Form 1594 or by electronically transmitting the data.

#### PGI 204.804-1 Closeout by the office administering the contract.

(1) Locally developed forms or a statement of completion may be used instead of the DD Form 1594, Contract Completion Statement, and use the administration office closeout date. Whichever method is used, the form shall be retained in the contract file and copies sent to Electronic Data Access (EDA) and financial systems using the American National Standards Institute (ANSI) X12 Electronic Data Interchange (EDI) 567 transaction set.

(2) For contracts valued above the simplified acquisition threshold and not subject to the automated closeout procedures at [PGI 204.804-3](#), prepare a DD Form 1597, Contract Closeout Check List (or agency equivalent), to ensure that all required contract actions have been satisfactorily accomplished.

#### PGI 204.804-2 Closeout of the contracting office files if another office administers the contract.

(1) When an office other than the contracting office administers the contract, the administering office shall—

- (ii) The new target date for closeout.

(3) If the contract still is not closed out by the new target date, the ACO shall again notify the PCO with the reasons for delay and a new target date.

### **PGI 204.804-3 Closeout of paying office contract files.**

(1) *Automated contract closeout.* As permitted by FAR 4.804-5(a), automated contract closeout allows a system to initiate and execute the closeout action. The contract qualifies for the automated closeout process if the contract—

- (i) Is firm-fixed priced;
- (ii) Does not exceed a total contract value of \$500,000 (inclusive of exercised options); and
- (iii) Does not contain any of the following provisions requiring administrative action at closeout:
