SUBJECT: Inclusion on Personnel Departure Checklists of the Requirement to Turn in
Government Charge Cards

As part of the ongoing effort to implement the Department of Defense Charge Card Task Force's recommendation that the Department develop methods to ensure more positive control of charge cards when an individual leaves an organization, the Under Secretary of Defense (Comptroller) has determined that every personnel departure checklist shall include the requirement to turn in all government charge cards.

Accordingly, please ensure that every personnel departure checklist in your component that does not currently include the requirement to turn in government charge cards (i.e., travel, purchase, air, fleet, and fuel) be modified to include that requirement.
