**Home (Org) DoDAAC:** "I sit here."  
**Role (Location) DoDAAC / Group (Path):** "I perform my duties here."  
**Procurement DoDAAC:** "My purchasing is approved by this contracting office." Entered by the OA/OPC and A/OPC on their appointments. When they initiate an appointment for A/BO or CH, this gets populated into their appointment. It can be updated prior to completing the initiation of the appointment. *Used for FPDS Reporting and U.S. Bank Reporting purposes.*  
**Authority DoDAAC / Group (Path):** *Automatically captured when the DAS\* signs the appointment* - "I got my authority from here."

\*DAS = Delegating Appointing Signatory. DAS represents the DAA, OA/OPCs, and A/OPCs with Delegating Authority.

In PIEE, DoDAACs reside under the lowest group. Group Administrators (GAMs) have the ability to add, remove, or modify Groups and DoDAACs.
